Colleges and universities have specific requirements which must be met before a degree can be granted. These requirements include particular courses and curricula, residence on campus, and grade-point averages. Advisors and deans are available, upon request, to help students meet requirements and to maintain accounts of their progress. A student's official record is available to the student at any time during normal office hours in the Office of the Registrar. The responsibility for meeting the requirements for a degree rests with the individual student. If a requirements are not completed, a degree cannot be awarded. Therefore, it is important for the student to be acquainted with all college requirements and to make progress toward meeting them.

The university reserves the right to alter graduation requirements and/or to modify academic programs at its discretion. A student's catalog year is that of his entering year. A student may request graduation under any catalog published following his enrollment, provided that the catalog is no more than six years old at the time of graduation.

*Information contained in this catalog is accurate as of the date of publication. However, Wingate University reserves the right to make such changes in educational and financial policy- -due notice being given- -as the Wingate University Board of Trustees may deem consonant with sound academic and fiscal practice. The university further reserves the right to ask a student to withdraw at any time.*

## Chapter 1

# An Introduction To Wingate University

### *The University and Its Mission*

#### **Purpose**

The central mission of Wingate University is to prepare its students to become enlightened, productive citizens by providing a high quality education in the Judeo-Christian heritage. Accordingly, the University has a three-fold purpose: 1) to maintain an environment where students broaden their knowledge of the world, 2) to sustain a community where the bases of faith are explored and where there is a common search for truth and meaning, and 3) to promote a heritage of service to humanity and God through involvement and leadership.

## Goals

### **I. To assist students in deepening their knowledge, Wingate University seeks to:**

- provide a faculty committed to teaching and learning;
- require a core curriculum designed to provide students the opportunity to develop
  - 1) critical thinking and effective communication;
  - 2) physical health and fitness;
  - 3) problem-solving abilities using quantitative and scientific investigation;
  - 4) integrative perspectives on civilization, the individual self, and the social group;
  - 5) aesthetic, cultural, and literary appreciation;
  - 6) responsible, ethical citizenship in the global community.
- offer majors appropriate to Wingate's history, its resources, and its student population;
- create opportunities for international study and travel;
- maintain a physical environment conducive to interactive learning;

### **II. To sustain its community of faith, Wingate University seeks to:**

- articulate a campus ideal of integrity in all relationships;
- offer opportunities for religious worship;
- encourage ethical application of Christian truth through study of areas such as medicine, business, and environment.
- attract to the faculty scholars for whom Judeo-Christian values and practice are important aspects of living;
- create through small campus religious groups frequent occasions to explore dynamic Christian living;
- provide opportunities for students to serve social and religious needs beyond the campus community;

### **III. To promote service to humanity and God, Wingate University seeks to:**

- sponsor service organizations both on the campus and in the larger community;
- create an environment founded upon Christian values;
- provide educational, social, cultural, and recreational opportunities;
- foster leadership and cooperation skills;
- offer to students academic, career, social, and personal guidance.

## History

A century of experience in education has prepared Wingate to fulfill its purpose. The history of the University exhibits commitment, determination, sacrifice, growth and success.

Wingate was established in 1896 by the Baptist Associations of Union County in North Carolina and Chesterfield County in South Carolina. Public schools were unavailable in the rural areas of the Carolina Piedmont; therefore, in its earliest days, Wingate offered a complete literacy education from first grade through high school. The school was built on a ten-acre tract boasting fine oak trees, an all-weather spring close proximity to the Meadow Branch Baptist Church, and access to the Seaboard Air Line Railway. The trustees named the new school for a successful president of Wake Forest University, Washington Manley Wingate, and chose an outstanding graduate of that institution and Union County native for its first principal, Marcus B. Dry. For twelve years Professor Dry directed the school and, with the assistance of Miss Polly Crowder in music, taught most of the curriculum. One hundred seventy-five students attended the first year and enrollment peaked at 292 in 1904. As the state expanded its public schools, Wingate gradually moved toward boarding students and concentrated in the upper years of high school. It purchased additional land, built teaching and boarding facilities and established a sound academic reputation. The 1916 report to the Association by B.C. Ashcraft praised the Wingate faculty of seven College trained men and women who know that "when you start a young man or a young woman on the right road, when you set a light aglow in a young mind, when you touch in the right way a young life. . . [those] influences are not to be measured by years—they are eternal."

As the private prep school era waned and public school became increasingly available, Wingate in 1923 expanded its educational vision, offering the first two years of baccalaureate education. In the same year, Wingate became one of several institutions supported by the Baptist State Convention of North Carolina. These years were marked by enrollment and financial strain as the College established its new character. The national crisis of the economic crash and depression drove Wingate to the edge of extinction: the Convention withdrew its support in 1930, eager students had no money for tuition, faculty salaries frequently remained unpaid, and the administration building burned to the ground in 1932. But President Coy Muckle and a few determined teachers opened the spring session in the rooms of Wingate Baptist Church, adjacent to the campus. Within a few years a new central building arose on the ashes of the old—this time in brick, attesting the determination of Trustees and local Baptists to keep the school alive. Today that central building, memorializing President C.C. Burris, who guided the institution from 1937 to 1953, houses the liberal arts instruction of the University.

After World War II, a sequence of events solidified Wingate. Returning veterans stabilized the enrollment, North Carolina Baptists resumed their financial support of the College in 1949, and the Southern Association of Colleges and Schools granted membership and accreditation to Wingate in 1952. Dr. Burris then returned to his

beloved classroom to enrich the lives of countless students through his deep understanding of English literature and William Shakespeare. Budd and Ethel Smith assumed leadership of the youthful college, immediately attacking its twin points of vulnerability: enrollment and financial support. New recruitment strategies aimed to increase the student body from its tenuous level of about four hundred. In 1955, Dr. Smith interested Mr. Charles A. Cannon of Kannapolis in the school. Mr. Cannon saw Wingate as a place where the children of textile workers and others in the middle class might receive opportunities in higher education. He began to invest in the renewal of the physical plant and the expansion of the curriculum, providing first-class facilities for the growing student body which reached 1500 in the late 1960s. Dr. Smith, a botanist by discipline, personally directed the planting of flowers and trees which complemented the stately oaks on the central campus. Through the labor of the Smiths and the generosity of Mr. Cannon and others, Wingate weathered the storms of its youth and turned to the future with new confidence.

Although Wingate was recognized in the mid-1970s as an outstanding private two-year college, the education market in North Carolina was changing substantially. The baccalaureate degree had become an attainable and necessary goal for upwardly mobile young people. Wingate needed to recruit 800 or more freshmen each year to maintain its enrollment, while it lost its juniors to senior colleges and universities. In 1977, under the leadership of Dr. Thomas E. Corts, Wingate added upper-level College courses and majors and granted its first baccalaureate degrees in 1979. Other majors and graduate degrees in education and in business were added during the 1980s; establishing Wingate's commitment to a quality educational experience for new generations of students. Also under Dr. Corts, the College launched W'International, a program of international study and travel for sophomores. The College included the cost of this experience in the total tuition whereby all students could spend ten days in London, Paris, and Amsterdam during the Christmas holidays. W'International signaled the institution's commitment to education for tomorrow's global society and the Christian affirmation of the brotherhood of all humankind.

The Wingate campus is located about thirty miles southeast of the center of Charlotte and within its metropolitan extension. While the majority of Wingate students in past years came from homes within a hundred miles of the campus, the University now attracts students from throughout the United States and several countries.

Wingate has been co-educational from its beginning and has concentrated on young adult learners; in recent years, the University has also addressed the unique needs of multicultural and nontraditional students at both undergraduate and graduate levels. On the main campus, and at off-campus locations, people of diverse backgrounds and ages interact to strengthen the learning environment.

In 1995, during the school's Centennial, the Board of Trustees voted to formally acknowledge Wingate's continued growth by changing its status to University.

### The Campus Community

Wingate's campus provides facilities for housing, meals, health care, recreation, and study.

### ADMINISTRATION BUILDINGS

*Dickerson Infirmary*, erected with gifts of the banks of Monroe, Wingate, and Marshville, has quarters for the University nurse and physicians. The infirmary is named for the late N. K. Dickerson, Sr., of Monroe.

*The Dickson-Palmer Center* was dedicated in April of 1977. The center houses the campus bookstore, game rooms, a T.V. Lounge, pool tables, a table tennis room, snack bar, and six bowling lanes. There are various other lounges for reading, music and conversation. Helms Forum, seating 150, provides an auditorium for student and faculty gatherings and movie screenings. Eaton Hall, a 1000 square foot hall, is a popular site for informal student and faculty social events.

The Dickson-Palmer Student Center also provides offices for student personnel administrators, conference rooms, a campus post office, facilities for student government, the UCAN office, and the campus yearbook. The Career Placement Office and the University Counseling Center are also located in this building, as are the Office of the Campus Minister, a small chapel, and an information center. The building honors the late Clyde C. Dickson of Charlotte and the late Fannie Drye Palmer of Albermarle.

*R. W. Goodman Campus Service Center*, built in 1986, serves as a multifunctional headquarters for maintenance, buildings and grounds services, custodial services, and primary stockroom for the University. It was built in honor of R. W. Goodman longtime Richmond County Sheriff and friend of Wingate University.

*Holbrook Building*, named in honor of the late Roy L. Holbrook, dedicated friend and former trustee of Wingate University, was completed in the fall of 1965. Formerly the Administration Building, it currently houses Academic Support Services, development, and alumni relations.

*Stegall Administration Building*, completed in 1991, is named in honor of the late Roy and Vera Stegall, friends of the University for many years. Designed as the centerpiece of a growing campus, the Stegall Administration Building is located between the Charles Cannon Complex and the Dickson Palmer Center. It is surrounded by a landscaped plaza and a small lake. The four story building is the working center of the University with administration, admissions, business affairs, the computer center, financial aid, marketing, and registrar under one roof. The President and the Provost also have their offices there.

## AUDITORIUMS AND THEATRES

*Austin Memorial Auditorium*, completed in 1960, seats 1,100, and serves as a cultural center for both the University and the surrounding community. The building is named for the late Mr. and Mrs. John M. Austin of Wadesboro. The auditorium was remodeled in 1980 to accommodate a custom-built 30-stop Holtkamp organ given by the late Thelma Rivers, an alumna of the Wingate School, in honor of the Rivers family: Miss Alma Rivers, L. D. Rivers, and Theodore Rivers.

*M. B. Dry Memorial Chapel*, adjoining the lobby of Austin Auditorium, was presented to the University in 1964 by students of the late Professor Dry, first administrator of the school. The Chapel was completely renovated in 1992 through the generous support of Mr. and Mrs. Jack C. Lail and other friends of the University.

*Laney Hall*, erected in 1968 to honor the late Baxter Laney and Mrs. Laney (Minnie Underburk '09), provides a 250-seat theatre, which is the site of the University's theatre productions.

## COMPUTING FACILITIES

*Bridges Hall* houses two IBM-compatible networked microcomputer labs. The Academic Resources Center is equipped with IBM-compatible PCs and printers for wordprocessing, test preparation, and various other software programs. The Burris Building houses an Apple lab.

## CLASSROOM BUILDINGS

*Herbert Bridges Hall*, completed in 1963, honors a former leader of the Wingate University Board of Trustees. The building provides classrooms, offices, laboratories, and auxiliary facilities for business administration classes.

*Burnside-Dalton Fine Arts Center*, named in honor of the late Harry L. Dalton and the late J. E. Burnside, both of Charlotte, was completed in 1968. It includes the Mullis Memorial Studio in addition to other art and music studios. The Allen Griffin Art Gallery houses a permanent art collection; included are works of noted South American, Japanese, and European artists. The building also houses foreign language classrooms and laboratories.

*Burris Classroom Building*, erected in 1936, contains twenty-three classrooms and twenty faculty offices. The building honors the late C. C. Burris, a former professor, dean, and president of Wingate University. Burris is the location of the departments of English, Religion, Education, History, Sociology, and Psychology.

*Charles A. Cannon Hall*, erected in 1969-70, contains approximately thirty thousand square feet of laboratory and classroom space. The building honors the University's most generous benefactor, the late Charles Albert Cannon. The departments of math, speech, journalism, and media arts are located in Cannon Hall. In addition, Cannon Hall contains the offices of *The Weekly Triangle*, the campus newspaper; *The Gate*, the campus yearbook; and WCTV, the University's award-winning television station.

*Lowery Art Center* is a studio and classroom for painting, watercolor, pottery, printmaking, sculpture and weaving. The building houses the Mountain man, one of the world's largest free-standing wood sculptures and a "Coneputer", a thermally computerized firing system for doing complicated firing procedures in electric oxidation kiln-firings.

*Budd E. Smith Science Center*, named in honor of the University's tenth president, and completed in 1962, provides classrooms and laboratories for life and physical sciences. Plant and animal laboratories were added to the science complex in 1982. An animal lab section is named in memory of Bernice Brewer Russell, a 1927 alumna of the Wingate School. The lab section was a gift of her husband, the late Foil O. Russell.

### DINING FACILITIES

*W. T. Harris Dining Hall*, renovated in 1976 and again in 1988, is designed to accommodate 1,500 students and has a seating capacity of 600. The building honors the late W.T. Harris of Charlotte, prominent trustee, supporter, and civic leader. The LaVerne Banquet Hall honors the late LaVerne Childers Harris of Charlotte and has a seating capacity of 400.

### LIBRARY AND ARCHIVES

*Efird Memorial Building* was erected in 1947 and given by the descendants of the late J. E. Efird. It served for a period of time as the first free-standing library on the Wingate campus. In 1994 it was completely restored and refurbished and now serves as the location of the Wingate University archives. In addition, it houses the personal papers of Charles A. Cannon.

*Ethel K. Smith Library*, named in memory of the University librarian who served as director from 1953 to 1974, is the heart of academic life on the campus. The building, equipped with ample study tables and carrels, houses more than 110,000 volumes and offers facilities for educational services. The library utilizes a computerized online catalog and circulation system, offers an increasing number of CD-ROM databases, has ERIC documents from 1980 to date, and is a depository for North Carolina State Government Documents.

Within the structure are a 70-seat audiovisual auditorium, audio and video study and editing facilities, and a curriculum materials center. The *John and Anna William Bivens Teacher Materials Center*, a bright, well-equipped room, houses the *John Benjamin and Effie Hobbie Helms Curriculum Resources Collection*. This collection includes state-adopted textbooks programs that support the University's School of Education. The *Mary Kincaid Children's Literature Collection* also supports the Education curriculum and is updated by participation in the Awards Book Collection Plan.

The library provides access to considerable audiovisual materials, microforms, and microcomputer software as well as subscriptions to 650 periodicals and newspapers. As a member of SOLINET, Wingate University obtains on-line computerized OCLC bibliographic data for cataloging and interlibrary loan services. Other on-line services include Dialog, DataStar, CDP Online and Epic. Connectivity to the Internet provides access to thousands of libraries and research centers throughout the world. All faculty, staff, and students are assigned an e-mail address through the library.

The generosity of Mr. and Mrs. Charles A. Cannon launched construction of the original building in 1959. Before his death in 1971, Mr. Cannon made funds available for a large addition completed in 1972. The Cannon Foundation made possible a further addition and renovation in 1992.

### RECREATIONAL FACILITIES

*Charles A. Cannon Complex*, opened in 1986, contains Cuddy Arena, a 2500-seat basketball arena, an olympic-size swimming pool, racquetball courts, a physical fitness laboratory, classrooms, and offices for the physical education, recreation, and sports medicine faculty.

*Plyler Athletic Field*, built in 1956 by the children of I. F. Plyler of Monroe, includes the Ron Christopher Baseball Stadium, built in 1995 to honor coach Christopher. Adjacent are several all-weather Grasstex tennis courts available for play year round.

*Sanders-Sikes Physical Education Building*, completed in 1959, is fully equipped for physical education. It has a regulation playing court. The structure honors two families prominent in the early history of the University. It contains the offices of the Athletic Director and coaches.

*H. Fields and Ruth B. Young Guest House* was built in 1913 as a private home, but has served the University in various capacities over the years. In 1994 the home was extensively refurbished and furnished as a guest house through the generosity of the late H. Fields Young, Jr. and his wife, Ruth B. Young, long-time friends of the University both of whom have served as trustees.

## STUDENT RESIDENCES

### For Men

*Helms Hall*, completed in 1967, honors the late L. L. Helms, prominent alumnus and trustee of Wingate University and his wife, Mary Smith Helms.

*Bridges Hall*, erected in 1970, is arranged in suites. The hall is named for H. Conrad Bridges of Mooresville, a former trustee.

*Rushing Hall*, erected in 1970, is arranged in suites. The hall honors the late Mr. and Mrs. T. B. Rushing of Marshville.

*Hackney Lounge*, joining Bridges and Rushing Halls, provides lounge and study areas for men of the adjacent dorms. The lounge is named in honor of the late J. P. Hackney, Jr.

### For Women

*Alumni Hall*, constructed in 1946 and renovated in the summer of 1977, provides housing for women.

*Ruth Coltrane Cannon Dormitory* houses 160 women in three halls. The building honors the late Mrs. Charles A. Cannon.

*Carol Belk Hall*, completed in 1966, houses women in 20 suites. Attached to Belk is a one-story building that provides lounge areas. Belk Hall honors Mrs. Irwin Belk of Charlotte.

### Special Housing

*North Campus Residential Park*, completed in 1987, houses 32 women and 24 men. This new direction in residence-life living offers students the opportunity to experience apartment life. These are available to upperclass students on an honors basis.

### For Married Students

*College Apartments*, an eight-unit facility located behind Sanders-Sikes Gymnasium, is set aside for married students.

### Housing Policy

For their academic and social well being, Wingate University recommends that all students live in University facilities unless they are married or unless they are living in their own homes or the homes of their parents or legal guardians. Freshmen, Sophomores, and Juniors under 21 must live in University housing unless they are married or living at home with their parents. Seniors and Juniors over the age of 21 may live off campus. Students living on campus must participate in a University meal plan.

### **Residence Hall Furnishings**

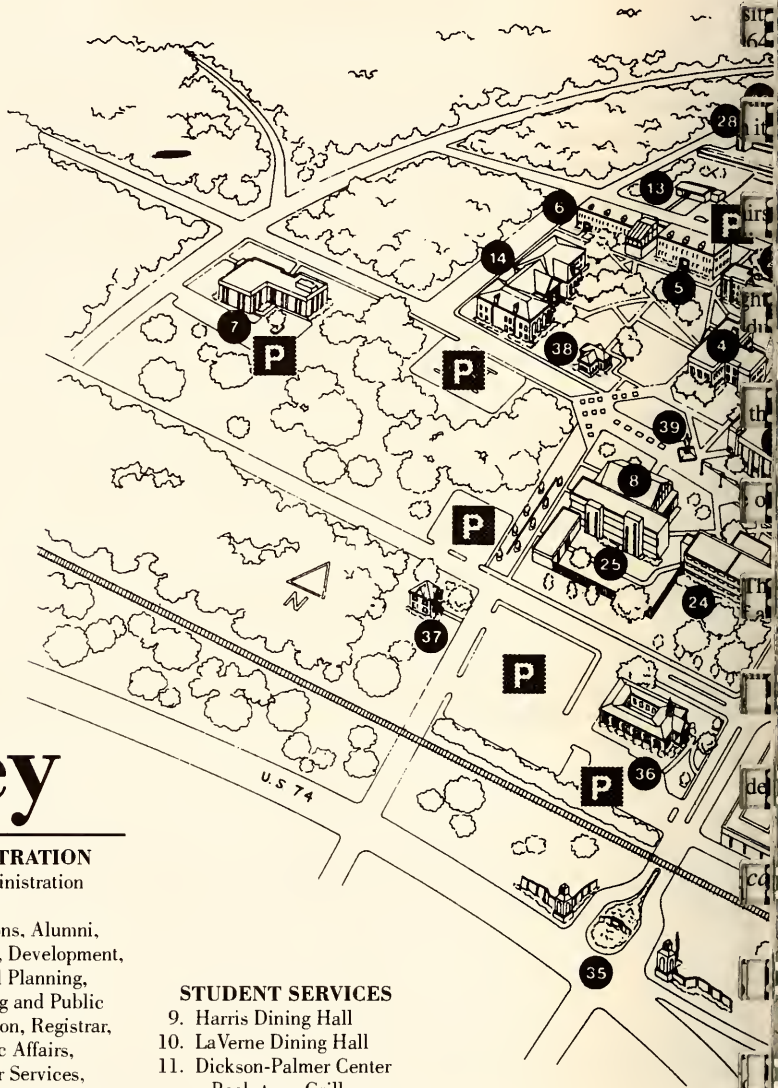

Residence Hall rooms are furnished with beds, dressers, and desks or tables. Blinds are furnished in all rooms. Students furnish a waste basket, linens(towels, sheets, a pillow, blankets), study lamps, etc. Student apartments are fully furnished. They include furnished bedrooms, a living room, a dining room, and a fully equipped kitchen. Cable T.V. is available in both residence hall rooms and student apartments. Students are assigned housing through the Office of Student Affairs, which attempts to accommodate student preferences in regard to roommates.

### **Insurance**

Wingate University cannot provide insurance to cover the personal belongings of a student in residence at the University nor vehicles parked on University premises. The University recommends that the student and/or the student's family arrange for insurance coverage.

### **Residence Hall Staff**

The Residence Hall Staff represents all residents living on campus. The staff assists in implementing residence hall regulations and with counseling students in the residence halls.

## Chapter 2

# Student Life

The University encourages participation in a large number of social and extra-curricular programs. The offices of Student Affairs, the Director of the Dickson-Palmer Center, and the Campus Minister work closely to provide stimulating extra-classroom activities as well as personal and career counseling for Wingate students.

### **Opportunities for Involvement**

#### **The Dickson-Palmer Center**

The Dickson-Palmer Center is the hub of student life at Wingate and houses the offices of Student Affairs, the Campus Minister, the Student Government Association, Activities Programming Board (APB), Counseling and Career Services, United Collegiate Assistance Network (UCAN), and the Christian Student Union. The Dickson-Palmer Center is the site for program planning and numerous student activities as well as recreational facilities, the coffee shop, and book store.

To help provide a variety of extracurricular activities, student committees arrange events including a traditional Family Christmas Dinner, movie screenings, special trips, coffee houses, community projects, and major concerts. Students are also offered mini-courses in the Center relating to community and international service.

#### **Commuting Students**

Wingate University makes every effort for students who reside at home and commute to the campus to have an enriching college experience. Lounges are maintained in the Academic Resources Center, Dickson-Palmer Center and the Bridges Business Building for the convenience of these students. Commuting students are encouraged to become involved in all aspects of campus life.

#### **Religious Life**

From the time of its establishment, Wingate University has regarded religion as a central factor in life. Wingate attempts to create an atmosphere in which students may mature in their religious beliefs.

Religious activities are coordinated by the Christian Student Union and the Campus Minister. The Wingate Baptist Church is adjacent to the campus and the Wingate United Methodist Church is located a few blocks away. Churches of other denominations are located in Monroe.

Wingate faculty members are personally dedicated to nurturing the religious faith of their students. They participate in area churches and believe that values are best taught by demonstration of the Christian faith.

### **Student Government**

Wingate has an active Student Government Association under the supervision of the Senior Vice President for Student Affairs. The Association is a cooperative body with a constitution that provides for policy making and enforcing. All students are members of the Student Government Association, and its officers are elected by popular vote.

### **Athletics**

To help the student develop a sound and strong body, the University sponsors a well-balanced program of healthful, organized, and supervised intramural athletics. Students are encouraged to participate.

Wingate University is actively involved in intercollegiate athletics, fielding teams for men and women. Women regularly meet other teams in volleyball, soccer, basketball, softball, cross-country, swimming, and tennis. Men compete in basketball, baseball, soccer, tennis, golf, football, lacrosse, and cross-country.

The University is a member of the South Atlantic Conference and the National Collegiate Athletic Association (NCAA Division II).

### **Cultural Programs**

At Wingate emphasis is placed on the cultural aspects of life. The University sponsors a lyceum series each year which includes varied artistic programs. In addition, concerts are presented by the music faculty and students and music ensembles like the Chamber Singers, University Chorus, Symphonic Band, and the Jazz Ensemble. The Wingate University drama department also produces a number of theatrical productions. The greater Charlotte metro area has numerous cultural attractions, including the Charlotte Symphony, Opera Carolina, the Mint Museum, and Spirit Square.

### **Student Publications**

Students, under the direction of the Journalism Department, publish a University yearbook, *The Gate*; the campus weekly newspaper, *The Weekly Triangle*; and a literary magazine, *Counterpoint*. The Student Handbook is prepared by the Student Government Association and the Administration for the orientation and guidance of students.

## Organizations

### Fraternities and Sororities

The Wingate University Greek system offers opportunities for leadership, development, and social interaction.

There are 3 fraternities for men:

Delta Sigma Phi, Theta Epsilon Chapter  
Kappa Alpha Order Colony, Zeta Zeta Chapter  
Pi Kappa Phi, Eta Mu Chapter

There are also 2 sororities for women:

Chi Omega, Theta Lambda Chapter  
Sigma Sigma Sigma, Zeta Lambda Chapter

Anyone wishing to pledge either a fraternity or a sorority must have completed 12 hours of class work at Wingate University and he/she must have a cumulative grade point average of 2.30 or higher.

## Honor Societies

*Alpha Chi* is a general honor society which recognizes academic excellence and exemplary character among College students. Members are elected by the faculty on the basis of grade-point average and character. To be considered, juniors and seniors must have a grade-point average in the top ten percent of their class.

*Alpha Psi Omega* is the honorary dramatics fraternity. Students with satisfactory academic standing who participate in the cast or crew of a production sponsored by the fraternity are eligible for membership.

*Chi Omicron Pi* is the honorary chemistry fraternity. It is open to students with a "B" in chemistry and an overall average of "C".

*Delta Mu Delta Honor Society* is a National Society in Business Administration. The purpose of the Chapter shall be to encourage higher scholarship and to recognize and reward scholastic achievement in business administration programs.

*Phi Eta Sigma* is an academic honor society for students who make at least a 3.5 grade-point average during the first term as freshmen or who achieve a cumulative 3.5 by the end of their first two terms in College.

*Phi Sigma Iota* is an international foreign language honor society whose members have completed at least one course at the third-year language level and who rank in the highest 35 per cent of their class in general scholarship.

*Pi Kappa Delta* is a national honorary forensic organization for speakers dedicated to the art of persuasion--beautiful and just. Membership requirements include ten hours of community service utilizing communication as a primary component.

*Sigma Tau Delta* is an international English society for outstanding English majors and minors that promotes excellence and encourages further achievement in the discipline as well as encouraging creative writing.

*Society for Collegiate Journalists* is a national honorary society for student publication leaders. Chief activities include sponsoring visits and lectures by leading area communications experts, field trips, and an annual banquet honoring all campus publication leaders.

### Campus Organizations

Numerous clubs at Wingate promote interest in subject matter and various activities. Included are the following:

The *Activities Program Board (APB)* is the branch of the Student Government Association responsible for planning campus student activities.

*Alpha Kappa Delta*, the music club, promotes various musical activities both on and off campus. It is open to all students.

The *Art Club* promotes interest in the visual arts through gallery/museum day trips, emphasizing the exchange of aesthetic concerns in an academic/social setting.

*Beta Kappa Mu* is organized to develop student interest in the field of biology through extra-curricular activities and to serve as a communication device between students and faculty.

*Bulldogs Reach Out* is the speaker's bureau for student athletes and coaches.

*Campus Baptist Young Women* promote missions through mission study and mission support. CBYW is a part of Women's Missionary Union of the North Carolina Baptist Convention.

The *Christian Student Union* coordinates many of the campus worship activities. It organizes Christian fellowship, campus outreach, student led revivals, and Bible studies.

The *Collegiate Music Educators National Conference* provides opportunities for the professional development of College students in the area of music education.

The *Communications Society* is open to all students who are interested in any area of communication studies.

*Fellowship of Christian Athletes* provides athletes and other students opportunity for sharing Christian fellowship and promotes unity among those who participate in athletics.

The *Inter-Club Council* coordinates activities and promotes cooperation among the various organizations on campus.

*Institute of Internal Auditors*, Student Affiliate of the Charlotte Area Chapter, attends meetings in Charlotte once a month and hears speakers from internal auditing departments of local and regional companies. Membership is open.

*International Club* fosters a vigorous exchange of ideas among students from other countries and the United States.

The *Intramural Association* exists to promote interest and originate contests in competitive athletics and sports on the campus among those who are not engaged in intercollegiate sports.

The *Kolors of United People* seeks to publicize issues concerning and achievements of minority groups past, present, and future. It also establishes a forum for minority students at Wingate University to interact academically, socially, and politically.

The *National Art Education Association Student Chapter* provides opportunities for the professional development of art education students through affiliation with state and national organizations.

*Outing Club* promotes camping, hiking and other outdoor activities.

*Pep Club* promotes school spirit at athletic events on campus.

*Psychology Club* provides students with opportunities to hear presentations from practicing psychologists, to become involved in helping others through service projects, and to establish close relationships with other psychology students.

*President's Forum* is composed of the presidents of campus organizations. Members meet to discuss University affairs informally with the University President.

*Sigma Alpha Omega* is a mathematics club open to all students who are mathophilists.

*Sigma Mu* is the student wing of the North Carolina Council of Teachers of Mathematics. It promotes the profession of teaching mathematics and encourages students to enter this field.

The *Speech Team* presents oral interpretation of literature and original speeches in competitive tournaments.

The *Student Chapter of the Mathematical Association of America* is for all students who are interested in math-related fields. The purpose is to promote mathematical professions as well as to investigate interesting mathematical problems.

The *Student National Association of Educators* is for those students who are majoring in education or are simply interested in promoting awareness in the field of education. Membership allows students to avail themselves of the benefits of the NEA.

The *United Collegiate Assistance Network (UCAN)* provides a wide variety of volunteer community service opportunities such as campus recycling, hunger walks, tutorial programs, and work with the elderly.

*University Republicans Club* promotes the interests of the Republican Party.

*Wingate Communications Society* is open to any student with an interest in video, journalism, public relations, etc. It meets with media professionals and plans tours to regional media centers.

*Young Democrats Club* promotes the interests of the Democratic Party.

## Rules and Policies

The University strives to maintain a wholesome, friendly, and inspiring campus environment conducive to the development of the whole person. As far as possible, students are dealt with individually and are encouraged to live up to their highest potential. To remain in good standing, a student will be considerate of the well-being of others and will respect the traditions of the University. Those planning to enter Wingate should read carefully the following statements:

1. Hazing is a violation of the laws of the state of North Carolina. Any type of physical punishment, physical assault, humiliation, or intimidation of any student by another student is classed as hazing and is not permitted.

2. Possession or use of alcoholic beverages on campus or at University functions is strictly forbidden by all persons. Possession or use of alcoholic beverages by persons under 21 years of age and possession or use of drugs are violations of the laws of the State of North Carolina. Persons guilty of such acts will be subject to criminal

5. The possession of firearms, firecrackers, or explosives of any kind on a college campus is a violation of North Carolina law and of University policy.

6. The University reserves the right to suspend or expel in cases of major infractions of disciplinary rules. These include possession or use of alcoholic beverages, controlled substance, firearms, fireworks, gambling, hazing, destruction of property, sexual harassment, violation of residence hall visiting privileges.

7. Students are not permitted to keep pets in University buildings.

8. Rooms are equipped with adequate lighting. Sun lamps are not permitted.

9. Students may not change rooms without consent of the respective Resident Director.

10. Students must register motor vehicles.

11. When a student moves into a University room, he/she assumes obligation for that room for a semester.

12. *The Student Handbook*, containing specific regulations, is presented to every student at the beginning of the term. Students are responsible for regulations set forth in *The Student Handbook* as well as those of the catalog. Residence hall regulations are posted on the back of each room door.

## Student Services

### Orientation

During orientation, students explore academic and career options and are familiarized with the campus community prior to the beginning of classes in the fall semester. Students also have the opportunity to register for the fall classes. Further orientation activities are planned for all students during the first three days of the fall semester.

### Academic Support Services

**Freshman Experience**, classes provided for all new freshmen students which orient their members to the academic, social, intellectual, emotional, physical, and spiritual transitions University requires; an **Academic Resource Center**, a place where students come for academic enhancement, enrichment, tutoring, counselling, advising and career information; a **Director of Educational Support Services** whose responsibility it is to work with the University community as a whole in providing an atmosphere where success abounds; a **Director of Academic Advising** who works with students as they experience the need for academic change and faculty as they meet those needs.

### Counseling and Career Services

Wingate University recognizes the importance of assisting students in their personal growth and development. The Counseling and Career Services Center is available to assist any Wingate University student in this process. The Center encompasses such services as counseling (personal, career decision-making, job search strategies); testing (interest, skills, and value inventories, type indicators.) Graduate School and career related information resources are located in the career library section of the Center. These services are coordinated by the Dean of Counseling and University Service Programs and the Dean of Career Services.

Additionally the Dean of Student Activities, the Campus Minister and the Director of Residence Life play an active role in the counseling programs offered by this office.

### **Messages and Mail**

Every room or suite in the residence halls is equipped with a telephone. Students are billed individually for long-distance calls. Resident students are assigned mail boxes in the Dickson-Palmer Center. Mail boxes are also available for commuting students upon request. Most postal services are available at the campus post office. The Wingate Post Office is adjacent to the campus.

### **Emergencies**

On arrival, students are given numbers by which they can be reached in case of emergencies. Between 7:30 a.m. and 11:00 p.m. Monday through Friday and from 8:30 a.m. and 11:00 p.m. Saturdays and Sundays, students may be reached through the university switchboard at (704) 233-8000.

### **Air Travel**

It is only a short distance to Charlotte Douglas International Airport, the hub for US Air, where there are also many other flights daily to all parts of the country on American, Delta, Pan Am, TWA, and United.

## Chapter 3

# Admission, Costs, and Financial Planning

### Admission

Persons seeking admission to Wingate University should contact the Admissions Office for application and other pertinent information. The completed application should be returned to the Admissions Office. The university operates on a rolling admissions plan. Completed applications are acted upon and candidates are notified within three weeks. Admission is based on high school record, SAT or ACT scores, and recommendations. In the case of transfer students, work from all previous Colleges attended is also considered. Personal interviews, while not required, are encouraged and often prove beneficial to both the university and the student.

**For an application to be considered complete, the following items must be received:**

1. Application form
2. Twenty dollars non-refundable processing fee  
(Fifty-five dollars for international students)
3. High School transcript or G.E.D. certification
4. SAT or ACT scores

Although some flexibility may be allowed, the following high school course distribution is recommended:

English	4 units
Math	3 units (algebra and above)
Social Science	2 units
Natural Science	2 units (1 lab)
Foreign Language	2 units

To secure enrollment a prospective student should make a deposit within 30 days after being notified of acceptance by the Admissions Office. This deposit is \$200 for residential students and \$100 for commuting students. If the need arises, an extension may be granted.

### **Immunization Requirements**

As of July 1, 1986, state law requires all students entering college in the state of North Carolina to meet the immunization requirements described below. A family physician or the Health Department must verify that the student has the necessary immunizations, **Wingate University's Medical History/Examination Form**, provided by the Office of Admissions, may be used for this purpose.

North Carolina high school immunizations will satisfy this requirement *if they are up to date and a copy is attached to the **Medical History Form***. Students are responsible for the high school records.

Students who do not have a complete immunization record on file when beginning classes will have 30 days to obtain the required immunizations. A campus clinic will be available. Students who are not in compliance within 30 days of the first day of class will be required to withdraw from classes.

Evening students are exempt. Medical and religious exemptions can be requested through the Health Center. Questions and forms should be directed to:

*Director of Health Services, Wingate University, Wingate, NC 28174*

**The following immunizations are required:**

**A. Students 17 years of age and older:** 3 DTP (Diphtheria, Tetanus, Pertussis) or 3 Td (Tetanus-diphtheria) doses; *one dose must be within the last ten years*; 3 Polio (oral) doses ; \*2 Measles (Rubeola) doses, on or after the first birthday; 1 Mumps; \*\*1 Rubella dose

**B. Students 18 years of age through a birthdate of Jan. 1, 1957:** 3 DTP or 3 Td doses, *one dose must be within the last ten years*; \*2 Measles (Rubeola) dose on or after the first birthday; 1 Mumps; \*\*1 Rubella dose

**C. Students born prior to Jan. 1, 1957 through age 49:** Primary series of 3 DTP or 3 Td doses; *one dose must be within the last ten years*; (A documented Td BOOSTER within the past ten years will be accepted as evidence of the initial series.); \*1 Rubella dose.

**D. Students 50 years of age and older:** Primary series of 3 DTP or 3 Td doses; (A documented Td BOOSTER within the past ten years will be accepted as evidence of the initial series.)

\*History of physician diagnosed measles disease OR laboratory proof of immunity is acceptable. Must repeat measles vaccine if received even one day prior to first birthday.

\*\*Only laboratory proof of immunity to rubella is acceptable, physician diagnosed rubella disease is not acceptable.

### Early Decision

The Early Decision Plan at Wingate University is an available option for students who have decided that their first choice university is Wingate. Students applying for Early Decision should submit a formal application by December 1st of their senior year. Included should be the student's high school transcript and scores on the SAT or ACT. Decisions are based on the junior year grades and test scores.

Students accepted under the Early Decision Plan will be guaranteed the following: 1) priority financial aid and/or scholarship packaging, 2) priority housing assignments, and 3) priority registration.

Students admitted Early Decision must submit a non-refundable deposit of \$200.00 by January 10th. Those not accepted into the Early Decision Program will be evaluated under regular admissions procedures and senior grades and test information will be considered.

### Entrance Examination

While testing does not always tell the entire story of a student's academic ability, it has proven to be a reliable indication of what the student's classroom performance might be. Therefore, entering students are required to submit scores from either the Scholastic Aptitude Test (SAT) or the American University Testing Program (ACT). The university prefers that these scores be sent directly from the testing centers to the admissions office. Information on test dates and testing centers is available in most high school guidance offices.

International students must submit test scores from the Test of English as a Foreign Language (TOEFL). A score of 550 or better is required for admission.

### Reasonable Accommodation

Wingate University does not discriminate against qualified individuals with disabilities. Moreover, as required by law, the University will provide reasonable accommodations to the known disabilities of otherwise qualified applicants for admission or

students with disabilities in all education programs, activities, services and practices including application procedures, admissions, student assignment, course assignment, the awarding of degrees, discipline, withdrawal and dismissal. Educational opportunities generally will not be denied to an otherwise qualified applicant or student because of his or her disability or because of the need to make reasonable accommodations to the physical or mental impairments of such individuals.

Disabled applicants or students who feel they need such assistance should contact the Office of the Vice President for Student Affairs. A copy of the University's policy concerning Provision of Reasonable Accommodation for Education Programs, Activities and Other Services is also available at the Office of the Vice President of Student Affairs upon request.

### **Concurrent Enrollment**

High school students who would like to take courses prior to or during their senior year may do so by contacting the Admissions Office. Credit is generally transferable to other colleges and universities. Students enrolled through this program will be allowed to take classes on a space-available basis.

### **Early Admission**

Students with superior ability and maturity may wish to begin their college work prior to graduating from high school. To be considered for admission under this program, the student must demonstrate academic standing above the mid-point of our most recently enrolled freshman class. Indications for this determination will include grade point average or class rank and SAT or ACT scores. In addition to normal application procedures, the student must interview with a member of the Admissions staff and must submit written verification that proper approval from secondary school officials has been obtained. Admissions decisions are made on a case-by-case basis. For further information, contact the Admissions Office, (704) 233-8201 (Toll free 1-800-755-5550).

### **International Baccalaureate Program**

Students who score five, six, or seven on the Higher Level Examinations of the International Baccalaureate may receive credit toward a baccalaureate degree. Scores should be sent to the Registrar's Office. A list of approved courses and the amount of academic credit awarded may be obtained by contacting the Admissions Office.

### **Credit by Examination**

Students may earn a maximum of 30 semester hours of credit toward a baccalaureate degree by examination. (See page 60.)

### **Advanced Placement**

Students who score three, four, or five on the Advanced Placement Test of the University Entrance Examination Board may receive credit. Scores should be sent to

the Registrar's Office. A list of approved courses and the amount of academic credit awarded may be obtained by contacting the Admissions Office.

### **College Level Examination Program (CLEP)**

Students who score 50 on CLEP subject examinations may earn credit toward a baccalaureate degree. Scores should be sent to the Registrar's Office.

### **Departmental Examinations**

See page 60. (Credit by Examination)

### **Readmission**

A student who wishes to re-enroll must complete a Readmission Application. If the student has attended other colleges, official transcripts must be forwarded in order to complete the application. A student who is readmitted must meet the catalog requirements for graduation at the year of re-entry. Students who are academically ineligible who wish to apply for reinstatement should submit a written appeal to the Committee of Academic Appeals, in care of the office of the Provost.

### **Transfer Students**

#### **Admission**

Students who complete course work in another accredited college or university may apply for admission to Wingate. An application for admission must be submitted and must be accompanied by transcript from all institutions previously attended. SAT and ACT are also required for most applicants. Transfer applicants must be eligible, both academically and socially, to return to the institution from which they are transferring. Applicants from accredited institutions will be admitted upon recommendation of the Admissions Committee and the Registrar. Course descriptions of all credits earned must be provided to receive a complete transcript evaluation.

#### **Transfer Credit**

Academic work completed at accredited colleges and universities will be accepted at full value for courses passed with the grade of "C" or better. Courses taken at other institutions must parallel Wingate University courses. The maximum number of course hours which may be transferred from a two-year institution is 64 semester hours or 96 quarter hours. Students transferring from institutions which do not grant the baccalaureate degree must complete at least 64 hours at the upper division level. Transcripts of students entering from technical institutes will be evaluated to determine the equivalency of work completed and its applicability to a baccalaureate degree. In some cases, proficiency testing may be required.

### **Expenses**

Charges are based on a maximum student load of 18 semester contact hours. After the tenth day of classes, a student will be charged for extra hours at a rate of \$355 per semester hour. Failing to drop a class by the last day of drop/add means financial responsibility for any hours over 18. Students taking less than 12 semester hours are classified as part-time students and are charged tuition at the rate of \$355 per semester hour. There is a \$65 General Fee for students taking 7 to 11 hours per semester.

### **Deposits**

A first-time full-time residential student must pay a \$200 deposit prior to enrollment of which \$100 is a room deposit applicable to the first semester of enrollment. A full-time commuting student must pay a \$100 deposit. All part-time students must pay a \$25 deposit prior to enrollment. The deposit will be held throughout the student's educational career at Wingate University. University fees, fines, returned checks, facilities damage charges, and other miscellaneous charges, if not paid in the usual

manner, may be deducted from the deposit.

After a student has been enrolled for at least one term, the deposit, less appropriate deductions, will be refunded within 60 days after any of the following:

- a. graduation with a baccalaureate degree,
- b. failure to re-enroll for the fall semester, or
- c. receipt of a written request from a student who is no longer enrolled.

To secure a dormitory room, returning students, including those on scholarship, must pay a deposit of \$100. This deposit is applicable toward the semester's dormitory fee for which it is made.

### **Books and Supplies**

Textbooks and necessary class materials are on sale in the Campus Store. A complete line of university supplies is available.

### **Check Cashing**

The Business Office will accept checks only for payment of accounts. It is suggested that an account be established with a local bank.

### **Refund/Overpayment Policy**

A refund refers to the university charges that are returned to the student and/or to the financial aid sources which covered those charges. Refunds are made within 30 days of the student's withdrawal.

Students who withdraw from Wingate University on or before the first class day of a semester will receive a full refund of any payment made toward tuition, fees, room and board.

For students who withdraw after the first day of class during a semester, the following institutional refund policy for tuition, fees, room and board will be in effect.

\*90% refund when withdrawal is after the first day of class during a semester and before the end of the first week of class.

\*80% refund when withdrawal is during the second week of class

\*60% refund when withdrawal is during the third week of class

\*40% refund when withdrawal is during the fourth week of class

\*20% refund when withdrawal is during the fifth week of class

The date of withdrawal is the date that the official withdrawal form is received by the Registrar's Office to finalize the withdrawal procedure or the date of withdrawal specified by the student, whichever is later. The semester begins with the first day of class for that semester. The first week of the semester is the seven day period that begins on the first day of class for that semester. The point of withdrawal is measured in weeks, and the student is considered to have withdrawn within a given week, as defined above, if the withdrawal date is prior to the end of that week.

For students who are in their first semester at Wingate University, and withdraw on or before the 60% point in the semester, the refund amount is calculated using the statutory pro rata refund policy set forth by the U.S. Department of Education. The

pro-rata refund is calculated based on the prorated charges for the remaining weeks in the semester.

An administrative fee of 5% of the student's actual charges (after adjustment), not to exceed \$100, will be charged to students who withdraw.

The refunds to students who are receiving financial aid will be distributed in the following order, as prescribed by federal law and regulations:

- Unsubsidized Federal Stafford Loans
- Subsidized Federal Stafford Loans
- Federal Parent Loans for Undergraduate Students
- Federal Pell Grants
- Federal Supplemental Educational Opportunity Grants
- Other federal aid
- State financial assistance
- Private or institutional student financial assistance
- Student

A student's official withdrawal form serves as the refund request.

An overpayment refers to the student's receiving a cash disbursement that the university makes to the student of financial aid funds (excluding student employment, Federal Stafford Loans, and Federal PLUS Loans) to cover educational expenses other than institutional charges. To determine any overpayment owed by the student, the University will subtract the non-institutional costs that the student incurred during the time he/she was enrolled from the amount that was disbursed to the student, excluding the employment and loan refunds referenced above. Overpayments are made, in order, to the Federal Pell Grant Program, the Federal SEOG program, and then to any outside grants and scholarships.

Contact the Business Office or the Student Financial Planning Office if you have any questions, or if you would like to receive case study examples of this policy.

### **ID and Meal Cards**

In order to receive withdrawal credit for board, a student must submit the Wingate I.D. card (meal card) to the Business Office. Withdrawal may require refunds to some student financial aid programs. This policy applies to students who officially withdraw during any regular session of the University.

### **Responsibility For Payment**

Payment of all applicable basic charges for the semester is due upon registration. The student is responsible for seeing that payments are made.

### **Insurance**

Medical insurance is available to each full-time student. Students who wish to participate in this program may request a brochure from the Business Office.

## Student Financial Planning

The Wingate University Financial Planning Office welcomes the opportunity to assist students and their families who seek information on scholarships, grants, student loans and on-campus employment. All students who plan to apply for financial aid must complete the Free Application for Federal Student Aid (FAFSA) and the Wingate University Application for Financial Aid.

Most financial aid programs are awarded on the basis of need as determined by information submitted on the FAFSA. In order to receive maximum consideration for all available financial aid programs, the FAFSA should be filed by March 1 prior to each academic year for which a student wishes to be considered for financial aid.

Financial aid programs vary as do the needs of students. Grant assistance is gift or entitlement aid and carries no repayment obligation. Student loans are long-term, low interest loans, which can be repaid after the student completes his or her education. Many students obtain jobs on the campus and are paid monthly for hours worked. Financial assistance is awarded in a "package" which may include one or more of the financial aid programs. All financial aid awards, including athletic, academic and outside scholarships are coordinated through the Office of Financial Planning. The total financial assistance awarded will never exceed the costs related to attending Wingate University. When federal financial aid programs are awarded, the total package will not exceed the student's demonstrated need using information provided on the Free Application for Federal Student Aid.

Scholarships, grants and student loan proceeds may be applied to the cost of attending Wingate university and are generally credited directly to the student's account. Earnings from campus jobs are paid directly to the student; **therefore they are not used as a credit toward a student's account.**

### State and Federal Aid Programs

*North Carolina Legislative Tuition Grant:* The State of North Carolina provides a grant to each North Carolina resident enrolled as a full-time undergraduate student in a North Carolina independent university. The amount available to students during 1995-96 was \$1,250. Students who appear to be eligible for this program will be sent the appropriate forms to verify residency.

*North Carolina State Contractual Scholarship Fund:* Funds for this grant program are made available by the State of North Carolina to aid residents of North Carolina. Award amounts vary. Eligibility for this program is based on state residency and financial need as demonstrated by the Free Application for Federal Student Aid (FAFSA) filed by the student.

*Federal Pell Grant:* Awards from this federal grant program range from \$400 to \$2,470 during the 1996-97 year. Eligibility is determined by the US Department of Education, using the Free Application for Federal Student Aid.

*Federal Supplemental Grant:* Awards from this federal grant program are made to students who receive the Federal Pell Grant based on the availability of funds.

*Federal Work-Study:* In this joint federal-university program, part-time employment is made available to students. Students work an average of 10 hours per week and receive payroll checks monthly. Students are paid minimum wage. Students who have been employed on the University Federal Work Study program for more than four academic semesters will be paid a higher wage.

*Federal Stafford Loan Program:* Lenders in this federal program provide long-term, low-interest loans to students. Payments may be deferred as long as the student is enrolled at least half-time (6 hours). Information on lenders is available through the Financial Planning Office.

*Please note that all of the above programs with the exception of the North Carolina Tuition Grant require the filing of the Free Application for Federal Student Aid (FAFSA).*

### **Financial Assistance Alternatives**

For families who do not qualify for federal or state financial assistance, or whose financial assistance does not cover the entire cost of university attendance, there are several alternatives. Some of these are listed below. For more detailed information regarding these and other alternatives, please contact the Financial Planning Office.

*Equal Payment Plan:* Families may divide the cost of tuition, fees, room and board into nine (9) equal payments. There is a \$55 participation fee; however, no interest is charged throughout the year. The payment plan operates on check draft and the first payment is due in August.

*Federal Parent Loan for Undergraduate Students (PLUS):* Lenders who process the Stafford Loan for students also make available the Federal PLUS Loan for parents of undergraduate students. Interest rates are tied to 91 day Treasury Bills. Repayment begins after disbursement of the loan.

*Unsubsidized Federal Stafford Loan:* This loan is for students enrolled at least half time who do not qualify for maximum subsidized Stafford Loan awards, and for independent students eligible for additional funds.

### Academic Merit Scholarships

*These scholarships are administered annually through Wingate University Scholars Competition open to qualified high school students.*

Students are eligible for only one Academic Merit Scholarship. Application information is awarded from the Admissions Office.

*Irwin Belk Scholarships* (\*\*valued at \$7,000 ) are available to outstanding students who are in the top 5% of their high school graduating class or have 3.75 G.P.A. on a 4.0 scale and who have a minimum SAT score of 1300 or ACT of 30. Additionally, a Belk Scholar should possess high moral qualities, enthusiasm, a cooperative spirit and high Christian ideals. Awards are limited and based on a competitive interview. Application should be made early in the senior year of high school.

Belk Scholarships are renewable for a maximum of eight consecutive semesters. Student must maintain a cumulative G.P.A. of **at least 3.2** and remain consecutively enrolled as a full-time student.

*Trustee Scholarships* (\*\*valued at \$5,000) are available to outstanding students who are in the upper 15% of their high school graduating classes or have a 3.5 G.P.A. on a 4.0 scale and have a minimum SAT score of 1200 or ACT of 27. Awards are limited and based on competitive interview. Applications should be made early in the senior year of high school.

Trustee Scholarships are renewable for a maximum of eight consecutive semesters. Student must maintain a cumulative G.P.A. of **at least 3.0** and remain consecutively enrolled as a full-time student.

*Presidential Academic Scholarships* (\*\*valued at \$4,000) are available to students who are in the top 20% of their graduating high school class or have a 3.2 G.P.A. on a 4.0 scale and have a minimum SAT of 1100 or ACT of 25. An interview is a required part of the application process. Awards are limited.

Presidential Scholarships are renewable for a maximum of eight consecutive semesters. Student must maintain a cumulative G.P.A. of **at least 2.8** and remain consecutively enrolled as a full-time student

*Centennial Academic Awards* (valued at \$2,500) are available to outstanding students who rank in the upper 25% of their high school graduating class or have a 3.0 G.P.A. on a 4.0 scale and have a minimum SAT score of 1050 or ACT of 23. Additionally, Centennial Award recipients should possess high moral qualities, enthusiasm, cooperative spirit, and high Christian ideals. Application should be made early in the senior year of high school. Renewable for a maximum of eight consecutive semesters. Student must maintain a cumulative G.P.A. of **at least 2.5** and remain consecutively enrolled as a full-time student.

*Presidential Academic Merit Awards* (valued at \$2500) are awarded to rising sophomores, juniors, and seniors who have distinguished themselves by maintaining a minimum grade average of 3.3. Scholarships are awarded on an annual basis. Formal application is not necessary, each student's academic record is reviewed as a part of the financial aid award process and this scholarship is awarded at that time.

**Transfer Student Scholarships**

These scholarships are administered annually through the Admissions Office. Award application information is available from that office.

Transfer Students Scholarships (valued up to \$3,000) are given normally to students entering Wingate University from other colleges or universities, based upon academic performance and leadership potential. The number of awards is based on availability of funds. Students who are members of PhiTheta Kappa are eligible for an additional \$500 award.

**Music Scholarships**

Music scholarships, based on a performance audition, are awarded annually to students who plan to major in music. The student must perform two contrasting selections representing an advanced level of study. For more information about the scholarships and the audition dates, contact the Department of Music.

**Departmental Scholarships**

Departmental Scholarships (valued between \$500 - \$1,000) are awarded outstanding students who rank in the top 25% of their class and have a minimum G.P.A. of 3.0 on a 4.0 scale and have a minimum SAT of 1050 or ACT of 23. Additionally, the student must have applied and been admitted to the university prior to official notification of the scholarship. Scholarship offers are competitive and must be accepted within 30 days of notification. On campus interviews are encouraged, but not required.

Departmental Scholarships are renewable for a maximum of eight consecutive semesters. Students must maintain a cumulative G.P.A. of at least 2.5 and continue to major in a program offered in the Department. Students who receive Departmental Scholarships and must remain enrolled as full-time students to continue to receive the award. The number of awards is based on availability of funds.

**Satisfactory Academic Progress Guideline**

In order to be eligible for any type of financial assistance, students must show evidence of satisfactory progress toward graduation. Although certain scholarships and grants require specific grade point averages, students must maintain the minimum requirements as follows:

<i>Total Credit Hours Attempted</i>	<i>Minimum Required GPA</i>
1-23 .....	1.4
24-56 .....	1.6
57-86 .....	1.8
87 or more .....	2.0

In addition, full-time students earn a minimum of twenty-four (24) semester hours credit within the academic year, including summer school, to be eligible for financial aid the following academic year. Students enrolled full-time for only one semester must earn a minimum of twelve (12) semester hours. Part-time students must earn the hours attempted.

The academic records of all students receiving financial aid will be reviewed at the end of each spring semester for satisfactory progress. Students not meeting the minimum requirements will be notified and will have the responsibility of making themselves eligible before the beginning of the next academic year.

The maximum period of eligibility for financial aid is ten (10) semesters of full-time enrollment. Exceptions to this rule may be made for compelling reasons. Students denied financial assistance on any of these grounds may appeal in writing to the Financial Aid Appeals Committee. Students will receive written notification of the committee's decision.

### **Church Related Scholarships**

These scholarships and grants are administered annually through the Financial Planning Office. Award application information is available from that office.

#### *Partners in Education*

This matching grant program is available to North Carolina students in cooperation with their local Southern Baptist Churches. When a local church donates toward a student's grant each year, Wingate University will match up to \$350 of that donation to create a partnership grant totaling up to \$700 per year. Students participating in this program must be enrolled full time in an undergraduate program.

#### *Coy Muckle Scholarship*

This scholarship was established to assist ministers who are employed full-time by a Southern Baptist church. The scholarship recipients may be enrolled full or part-time in an undergraduate program. The scholarship is a part of the total financial aid package and the amount may vary, but all recipients are assured a minimum aid package equal to their tuition charges. The student pays the general fees, books, and any special fees which may be associated with a specific course. All Muckle Scholarship recipients must complete the current financial aid applications as well as the Muckle Scholarship Certification.

Students must maintain a cumulative G.P.A. of at least 2.0 and meet the University's Satisfactory Academic Progress Guidelines. Scholarships will be awarded on an annual basis and all application materials must be submitted no later than August 1st.

Students who intend to enroll for the spring semester only must submit all materials prior to December 1st.

#### *NC Church Youth Leader*

This program provides recognition and scholarship opportunities for nominated high school juniors and seniors who are selected for nomination through their churches and Associations. Each year, the state winner will receive an \$8000 scholarship payable over four years at Wingate University. Association winners each receive a \$2000 scholarship payable over four years at Wingate University.

### **Ministerial Dependent's Grant**

This grant, (valued at \$1500) is awarded to the spouse, child, or legal dependent of an ordained, full-time employee of a Southern Baptist Convention-affiliated State Convention or agency. It is renewable each year contingent upon maintenance of Satisfactory Progress standards.

The Grant is subject to the following guidelines:

1. The recipient must be accepted for admission to Wingate University, must be a full-time student, and must maintain satisfactory academic progress.
2. Students requesting additional financial assistance must complete the Free Application for Federal Student Aid (FAFSA) and the Wingate University application for Financial Aid.
3. The Grant may be used by a qualified recipient for a total of eight semesters, or until attaining the bachelor's degree, whichever occurs first.
4. The Grant does not apply toward summer session.
5. A limited number of grants may be available, and they will be awarded on a "first come, first served " basis.
6. Dependents with exceptional need, as determined by a need analysis, may be offered additional funds.
7. The Ministerial Dependent's Grant is not available to dependents of foreign missionaries in addition to the Foreign Missionary's Dependent Grant.

### **Foreign Missionary Dependent's Grant**

This grant, (valued at \$1,500) is awarded to the spouse, child, or legal dependent of a foreign missionary who is a full-time missionary with the Southern Baptist Convention Foreign Mission Board.

The Grant is subject to the following guidelines:

1. The recipient must be accepted for admission to Wingate University, must be a full-time student, and must maintain a satisfactory academic progress.
2. Students requesting additional financial assistance must complete the Free Application for Federal Student Aid (FAFSA) and the Wingate University application for Financial Aid.
3. The grant may be used by a qualified recipient for a total of eight (8) semesters, or until attaining the bachelor's degree, whichever occurs first.
4. The Grant does not apply toward summer sessions.
5. A limited number of grants may be available, and they will be awarded on a "first come, first served" basis.
6. Dependents with exceptional need, as determined by a need analysis, may be offered additional funds.

## Chapter 4

# Academic Policies

Wingate University seeks to educate students for a world that is constantly changing. In keeping with that goal, a program has been developed to provide breadth of experience in the liberal arts and to develop in students an awareness of and appreciation for some of the major concerns of the human race. Additionally, the University feels that this broad core of general education should be balanced with a course of preparation for a vocation or profession.

The work done to fulfill the requirements for a degree will fall into three categories: first, the basic requirements necessary for all degrees; second, the additional requirements for a particular degree; and third, the courses in the major and minor fields of concentration and the other courses needed to complete a chosen curriculum. Thus each student will be introduced to the liberating views of diverse disciplines.

## Degree Requirements

### GRADUATION REQUIREMENTS

To receive the Baccalaureate degree from Wingate University, a student must meet the following requirements:

1. Completion of general education requirements.
2. Completion of a minimum of 125 hours and all requirements for the program of study (major). Programs of study have varying requirements of specific courses and total hours.
3. Completion of a program of study. At least 40 semester hours must be in courses numbered 300 or above, except in the biology major which requires at least 34 semester hours in courses numbered 300 or above.
4. Maintenance of a 2.00 cumulative grade point average on all College-level work and a 2.00 cumulative grade point average on all courses in the major (including major requirements and all 300-400 level courses attempted in the major). Departments may specify grade requirements for certain courses.
5. Completion of Lyceum requirement (see page 48).
6. Exit examination in chosen major(s) in the last semester before graduation.
7. Completion of at least one year (30 semester hours) of study at Wingate University in addition to practicums, field experience, or internships and at least two years in a senior institution including practicums, field trips, and internships. The last 30 hours completed immediately prior to graduation must be taken at Wingate.
8. Discharge of all financial obligations to the University.
9. File application to graduate with the Registrar's office.

#### Student Responsibility

**The student bears the final responsibility for the selection of a program of study and adherence to all published regulations and requirements of the University, including the preceding requirements for graduation.**

To receive a different Wingate University Bachelor's Degree a student must meet the following requirements:

1. Receive written permission from the Provost to pursue a second degree and the chairperson of the division in which the student wishes to major.
2. Complete all requirements for the second degree.
3. Earn a minimum of 30 additional semester hours in residence after the awarding of the first degree.

**Two degrees may not be awarded at the same commencement exercise.**

A student is expected to be present at Commencement to receive a diploma. Should circumstances beyond the student's control arise which necessitate absence from Commencement, the student should make written request for permission to the Registrar at least 30 days before Commencement.

The University reserves the right to alter graduation requirements and/or to modify academic programs and policies at its discretion. A student’s catalog year is that of his entering academic year. A student may request graduation under any catalog published following his enrollment, provided that the catalog is no more than six years old at the time of graduation. A student who is out of the university for more than one semester and is readmitted must meet the requirements for graduation at the time of reentry. The University may make reasonable course substitutions when the change of academic requirements prevents the student from completing graduation requirements.

Each student is responsible for learning and meeting the requirements for his/her chosen program of study and for graduation. Neither the student’s advisor nor the Registrar is responsible for insuring that the student meets degree and graduation requirements.

Students must submit a written request for graduation to the Registrar ten days prior to the beginning of the semester in which the student will complete degree requirements. Forms for this purpose are available from the Registrar.

**GENERAL EDUCATION CORE**

When a requirement may be met by one of several courses, certain majors may specify which courses will meet these requirements. No more than two courses counted for a major or minor may also be counted for another major or minor (with the exception of a biology and chemistry combination).

Students may not use one course to satisfy two General Education Requirements.

**COMMUNICATION ..... 10**

English Composition 101 and 102 (6 hrs)

Literature (3 hrs)\*

Freshman Experience(1 hr)

**FINE ARTS ..... 3**

## **Campus, Community, and Cultural Programs**

Wingate University attempts (1) to prepare its freshmen for University life, (2) to introduce students to community service needs, and (3) to expose students to intellectual and artistic events. The following programs are required of all Wingate University students.

### **Freshman Experience**

The Freshman Experience Seminar is a one-hour course taken by all entering freshmen during the fall semester. The purpose of the course is to teach students the skills necessary for a successful transition from high school to University. Specific topics may include goal-setting, decision making, choosing a major or career, time management, study skills, critical thinking, and assertiveness.

### **Lyceum**

Students must attend 24 events in their four years at Wingate University. Students must also make steady progress toward completing this requirement during their four years. To become a sophomore 25 semester hours and 6 Lyceum credits are required. Juniors must have earned 57 semester hours and 12 Lyceum credits. Seniors must have completed 87 semester hours and 18 Lyceum credits.

### **Wingate W'International**

Wingate University offers a unique study-tour program called "W'International" which makes available an international experience at minimal expense to the student. The program is designed for the junior year.

W'International seminars begin in the fall and culminate in a study-travel opportunity of approximately 10 days in another country. Most trips occur during the Christmas recess from approximately December 7 through January 5. A limited number of seminars occur after the spring semester with tours after Commencement. The University covers basic costs of transportation and lodging, with the aim that a student should be able to participate in W'International at little personal cost.

### **Conditions:**

1. All regularly enrolled full-time students at Wingate University have one opportunity to participate in the W'International program.
2. Most groups travel to London but other destinations are available with a surcharge. Trips in the spring semester will be surcharged. Each year at the W'International registration period the surcharge for each course/destination is identified. This surcharge is due at the beginning of the semester of participation.
3. The junior year is the prescribed year of participation, and transfer students must have completed a minimum of one semester as a full-time student prior to participation. A student who does not participate his junior year forfeits his eligibility.
4. Students must have a 2.00 cumulative grade point average by the beginning of the W'International semester.

5. To participate in the travel experience, students must first successfully complete the semester-long seminar, which meets at least one hour a week. Students who complete the seminar with a "D" or higher grade and who complete the W'International tour satisfactorily receive 2 credit hours.

6. Students must demonstrate high standards of character and maturity. During the seminars and on the trip, students are obligated to follow the directions of their leaders.

7. Students must pay any debts to the University in order to be eligible to participate in the W'International program.

### **Wingate - in - London**

Each fall semester approximately 20 students directed by a Wingate University faculty member live and study in London. They take courses taught by the faculty director as well as British professors.

The program is open to rising seniors, juniors, and sophomores, in that order, who have at least a 2.0 cumulative g.p.a. and have been full-time for at least one year. Each December information is presented as to the selected director and cost. Students are also selected on the basis of an interview and references in order to determine social compatibility with the group.

## **Special Programs**

### **HONORS PROGRAMS**

#### **University Honors**

The honors program at Wingate University challenges students of exceptional ability.

**Admission:** Admission to the honors program for entering freshmen is by invitation from the Director of Honors. Entering freshmen are selected on the basis of Scholastic Aptitude Test scores, high school records, and recommendations. Students who hold Belk or Trustee scholarships are expected to enroll in the honors program. Occasionally a few Presidential scholars with strong records might be invited to participate in the program. (For more information on these scholarships, see p. 38. Exceptional students who are not in the honors program and have a grade-point average of 3.25 on all work attempted may be invited to join the honors program or may apply to the Director of Honors. Students may join the program at any time before the beginning of their junior years.

**Curriculum:** To graduate with University Honors, students must complete a minimum of 18 hours of honors courses including Honors 200 (Ideas in Literature), Honors 205 (Ideas in Fine Arts), and Honors 300 (The Making of the Modern Mind)

and submit a special research project in their majors (Honors 451). Typically, students in University Honors will take English 101/102 Honors and History 101/102 Honors their freshman year, Honors 200 their sophomore year unless they exempt English 101/102, Honors 300 their junior year, and Honors 451 their senior year. Other honors sections and/or Honors 205 courses meeting the General Education Requirements will occasionally be offered on a rotating basis. Honors 200 meets the General Education Requirement in literature. Honors 205 meets the General Education Requirement in fine arts. Honors 300 may be counted as a foreign language General Education Requirement or in special cases as a social science or humanities credit. Honors 451 completes the University Honors graduation requirements but is not calculated in the total credit hours earned. The Honors 451 designation and grade will appear on transcripts, however. Students will work closely with a professor in their majors to design and complete the University Honors project, a substantive study culminating in a thesis paper of appropriate scope and length (3,000 to 4,000 words.) Graded projects are submitted for approval to other faculty in the chosen discipline and then forwarded to the Director of Honors who verifies the students' eligibility to graduate with University Honors and sends the official recommendation to the Registrar.

**Extra-curricular dimension:** The honors student will also have the opportunity to participate in a number of social and educational activities outside the classroom. These will include special events on the Wingate University campus and off-campus excursions.

**Honors recognition:** Students who successfully complete the University Honors program will receive the designation "University Honors" on their transcripts and diplomas and will be recognized at Commencement. In addition, each honors course will carry the designation "H" on transcripts and grade reports regardless of whether a student completes the entire program.

### **Departmental Honors**

Any student may elect to do departmental honors work in the following fashion. Departmental honors is independent of University Honors.

**In-Course Honors:** Students with a minimum grade-point average of 3.0 with no grade below "C" may request permission from professors to earn honors credit in a regular class by submitting proposals for extra work and projects in return for special attention and conferences. Proposals must be approved by the department in which honors work will be done not later than three weeks after the beginning of a semester and must meet all guidelines of the department. Students who earn honors credit will have it so designated beside the course number on their transcripts and grade reports (example: History 202H, Math 330H). Professors may have not more than four students doing in-course honors during a semester without permission from the Provost and the Honors Committee.

**Departmental Honors Research:** The academically superior student at Wingate University has an opportunity to engage in intensive study in a major field through advanced independent research, experimentation, or creative activity. Listed in the catalog and on student transcripts as Honors Research 449, 450, this study is a two consecutive semester project for which the student earns credit of 2 or 3 hours each semester for a total of 4 or 6 hours credit.

To qualify for admission to Honors Research, a student must have a minimum grade point average of 3.00 on all coursework and a 3.50 in the major field.

An eligible student may register for Honors Research during any regular registration. After the Honors Committee verifies that the student is eligible, the student selects a tentative subject of research and a supervisory professor who is knowledgeable in the chosen field.

In consultation with the supervisory professor, the student designs a proposal in acceptable form outlining the research project and the research tools to be used. This proposal is submitted to the department for preliminary approval. The Honors Committee grants final approval of the proposal.

The student, with direction from the supervisory professor, must complete the project during the period of two semesters. Upon completion of the independent research, the department will evaluate and endorse the project. The approved final draft will then be presented to the Honors Committee for its review.

If the Honors Committee, in consultation with the supervisory professor and department, judges the work to be of superior quality and the student has met all requirements for an honors designation, a recommendation will be made to the Provost that the student receive an honors designation in the major and during Commencement. Honors Research that is judged not to be of superior quality by either the professor, department, or Honors Committee but is judged to be passing will be granted 4 or 6 semester hours of independent study credit in the area of research, but not honors credit.

**Departmental Honors Designations:** A student may earn honors designations in an academic major by completing one of the following options:

1. A minimum of 12 semester hours of honors work in a specific major, with at least 6 of the 12 hours in 300-400 level courses.
2. A minimum of 12 semester hours of honors work in a specific major, including 5 semester hours of Honors Research (Honors Research is defined above.)

To earn an honors designation, a student must have a minimum grade-point average of 3.0 on all work and a minimum grade-point average of 3.5 in all honors work within the major. Honors designations are indicated on transcripts, and students who complete an honors program are awarded special recognition during commencement exercises.

## Academic Regulations

### Academic Programs

Wingate University offers programs of study which lead to baccalaureate degrees. (See page 62.)

Specific baccalaureate programs are described under their respective departments.

### Academic Honors

Students are recognized by the University community for academic excellence. Each semester a Dean's List includes those students who have earned a grade-point average of 3.3 on at least 12 quality point academic hours (graded A, B, or C) and have no grade below a C, and a President's List includes those students who have earned a grade-point average of 3.8 on at least 12 quality point academic hours (graded A, B, or C) and have no grade below a C.

At Commencement, students with a cumulative average of 3.5 or higher are graduated with honors as follows:

Summa cum laude .....	3.9 and above
Magna cum laude .....	3.65 to 3.899
Cum laude .....	3.5 to 3.649

Graduation with honors is determined by the overall grade-point average on all undergraduate work attempted at any accredited school and on all credit attempted at Wingate University. Transfer work cannot raise the Wingate average.

### Academic Standards (Probation and Suspension)

Academic Probation is determined by the cumulative grade-point average which a student earns on credit courses. At the conclusion of a semester, the Provost will notify the student by mail if the cumulative average is below the minimum. In such case, the student will be placed on academic probation for the next regular semester. Probation is determined only on the basis of permanent grades at the conclusion of a semester; mid-semester progress reports are not included in grade-point calculations.

The minimum cumulative averages are:

Semester Hours Attempted	Minimum Average
1-23 .....	1.4
24-56 .....	1.6
57-86 .....	1.8
87-above .....	2.0

A student must have a 2.0 cumulative grade-point average to qualify for the Baccalaureate degree.

A student who is on academic probation at the end of two successive semesters will be academically ineligible for the next semester. A student who fails all hours attempted will be ineligible to enroll for the next semester.

Students who are academically ineligible who wish to apply for reinstatement should send a written appeal to the Committee on Academic Appeals, in care of the Provost, to review the students' records and make a decision about eligibility.

A student may forfeit academic responsibility by:

1. persistent failure to complete classroom assignments;
2. habitual class absence; or
3. disruption and disturbance of fellow students.

In such cases, the student may be asked to withdraw from the University. Appeals relative to enforcement of this policy may be made through the Provost to the Committee on Academic Appeals.

### **Classification**

A student is considered a freshman upon entry into University and is classified as a freshman until 24 semester hours have been completed. A student is classified a sophomore upon completion of 24 semester hours; a junior upon completion of 57 semester hours; and a senior upon completion of 87 semester hours.

### **Status**

A student who carries 12 semester hours is considered a full-time student.

### **Overload**

Five courses (15-16 hours) are considered a normal course load. A student may choose to take up to 18 hours. Permission to take more than 18 must be granted by the Committee on Academic Appeals. This permission is not given to students with less than a 2.0 cumulative grade-point average.

After the drop-add period, a charge of \$355 is assessed for each hour above 18. There is no refund of this fee, regardless of whether a student withdrew from a class or classes. (See refund policy, p.34)

### **Advising**

Wingate University is committed to providing academic advice and personal guidance for its students. Each student has an advisor who helps plan the student's academic program and meets with the student periodically throughout the year. Freshmen are assigned special faculty and student co-advisors to assist with unique freshman concerns.

Advisors help students develop individual academic programs which include Wingate's specific degree requirements and the student's career objectives. While advisors have resources to aid students in academic planning, the responsibility for meeting the requirements of a specific degree rests with the individual student.

The Director of Advising and the Associate Dean of Career Planning and Placement are available to advise students about careers. Advisors in the science-related

professions, in theology, law, and in other professions help students select majors, minors, and electives which will provide adequate preparation for professional post-baccalaureate study.

### **Registration**

In order to register for courses, a student must confer with his/her advisor, fill out a course planning sheet, and take the course planning sheet to the Office of the Registrar. The Business Office will bill the student according to the number of hours registered.

Should a student drop a course at any time without official record with the Office of the Registrar, the student will receive an "F".

### **Adding and Dropping Courses**

A student may add a new course during the first four days of a semester and receive full credit, provided he/she follows prescribed procedures for adding the course and takes responsibility for all work required prior to the time of the addition of the course. A Schedule Change Form is required, and students must request this form from their advisors.

If a student withdraws from a course during the first four days of the semester, the course is deleted from the record. A student may withdraw from a course at his/her discretion up to one week after mid-semester, and receive a "W" on the academic record, provided the student secures the approval of the advisor, the faculty member, and the registrar. A student's grade-point average is not affected by a "W". A Course- Drop Form, which must be obtained from the advisor, is required for this procedure. A student may not withdraw from a course after one week after mid-semester. After the third Friday of a regular semester, students will not be refunded money for courses dropped. (See Refund Policy - p. 34)

### **Withdrawal from the University**

Any student voluntarily leaving the University before the close of the term must withdraw officially. The student initiates the withdrawal procedure with the Assistant Dean of Student Affairs for Career Services, whose office is in the Dickson Palmer Student Center; or from the Director of Academic Advising or the Director of Educational Support Services, whose offices are in the Academic Resources Center. The withdrawal form must be signed by the various University officials listed on the form. The withdrawal process is completed at the Business Office. If a student withdraws up to one week after mid-semester and has settled all accounts with the University, he or she will be given an honorable dismissal and will receive "W"'s for the semester's courses.

In extenuating circumstances a student may withdraw from University after the deadline. This may be done only with the approval of the Provost. The Provost has the sole authority to assign the grade of "W".

### **Academic Bankruptcy**

A student who has earned poor grades which may prevent him or her from gradu-

ating may petition the Committee on Academic Appeals for academic bankruptcy for one complete term or for consecutive terms including all work prior to a given date. The bankrupt term(s) is noted on the student's transcript and the student forfeits credit for all courses during that term(s). Grades from the bankrupt period are not calculated in the student's grade point average, although they remain on the transcript. All grades are included in the calculation of the grade point average for honors at graduation.

**To be considered for bankruptcy, a student must demonstrate that:**

- 1. poor performance for the term(s) for which bankruptcy is requested is not typical**
- 2. poor performance was due to extenuating circumstances**
- 3. the cause of the poor performance has been alleviated, and the student has demonstrated responsible scholarship.**

Once bankruptcy status has been granted, the action is irreversible. A student may request bankruptcy one time only.

Students who are granted bankruptcy may request a letter of explanation to accompany the transcript when sent to a prospective employer or to other institutions.

Certain colleges, universities, and professional schools will not honor a bankruptcy policy.

### **Class Attendance**

Regular class attendance is a student's obligation and a student is responsible for all the work, including tests and written work, of all class meetings.

Each faculty member defines his/her own absence policy and so informs students on the first day of classes. Students who represent the University at officially recognized activities are responsible for making necessary plans for class absence with each professor in advance of the absence.

The University maintains the regular schedule of classes throughout the semester. Classes are not cancelled due to inclement weather (i.e. snow, sleet) and students are responsible for all the work of class meetings missed due to inclement weather.

### **Evaluation, Grading, and Averaging**

Students are evaluated continually during the semester and grades are assigned at the conclusion of the course. Final examinations are given on work covered during the entire semester. The following grading symbols are recorded:

- A** - Excellent
- B** - Above average
- C** - Average
- D** - Passing
- F** - Failure
- P** - Pass (for courses offered on P-F basis)
- H** - Pass with honors (for courses offered on P-F basis)
- I** - Incomplete (see below)
- CE** - Credit by Examination
- W** - Withdrawal
- R** (plus a grade of A,B,C,D,F) - Indicates the course has been repeated and the letter grade to the right of the "R" is the new grade which replaces the previous grade (See Repeat Course Policy)

Minus (-) and plus (+) may be attached to each grade of "A", "B", "C", and "D", but do not affect the quality points assigned for those grades.

The grade of "I" indicates that some requirement of the course is not yet complete. A student receiving an "I" is expected to initiate steps with the professor to change this grade. A grade of "I", which has not been changed before 30 calendar days of the next regular semester have elapsed becomes an "F". An extension may be granted by the Provost upon written request of the professor.

Progress reports indicating courses on which the student is earning less than a "C" are issued at the middle of the semester to Freshman and Sophomore students. These do not become a part of the permanent record. Grades issued at the end of each semester make up the student's transcript.

Records of progress are kept by the University on all students, and grades are issued at the end of each semester.

The student's grade-point average is calculated by dividing the quality points received by the number of hours attempted. The grade of "A" carries four quality points per credit hour, a "B" three, a "C" two, and a "D" one quality point.

A course in which credit is given on a P-F basis is not used in the calculation of the grade-point average if a grade of "P" is earned. The grade of "F" on a pass/fail course is used in the grade-point average calculation. An average grade of "C" (2.00) on all hours attempted is required for graduation.

### **Repeat Course Policy**

A student may register for a course which was previously completed. Only the last grade earned is used in the calculation of the grade point average. All grades are shown on the transcript. A course may be repeated twice under this policy. This applies only to courses taken and repeated at Wingate University. All grades are included in the calculation of the grade-point average for honors at graduation. The student is

responsible for informing the Registrar's office any time a Wingate University course is repeated.

A student may repeat a course under the forgiveness policy a maximum of two times. Retaking a course more than twice will not remove the last grade from the grade-point average.

### **Transient Study**

Wingate students who wish to take a course or courses at another institution and transfer that credit to Wingate should obtain permission from the Registrar's office prior to taking the course. Permission is generally not given to students to take required courses at another institution. A student must have a cumulative 2.0 average to obtain permission to take a course at another institution and transfer the credit for that course to Wingate University. In accordance with degree requirements, the last 30 hours must be taken in residence at Wingate University.

While transfer credits are accepted from other institutions, course work taken at other institutions does not raise a Wingate student's cumulative grade-point average. It will be considered in determining honors designations, although it cannot raise the Wingate average.

### **Transcripts**

The official academic record (transcript) for each student is maintained in the Office of the Registrar. A student has access to the record during normal office hours.

A student may receive copies of the transcript for personal use or may request the transcript be mailed. Such requests must be made in person or in writing. The first copy is free; additional copies are \$3 each.

Transcripts will not be released if the student's account with the University is delinquent.

### **Writing Intensive Requirement**

The Wingate University faculty has designated a number of courses that include a significant writing component. These courses are: Accounting 312, 427, 428, Business 324, Economics 301, 302, 314, 410, Chemistry 202, CIS 401, Education 330, 317, 358, 331, Art 208, 209, Music 305, 306, 470, English 360, Biology 205, Math 401, Recreation 430, History 401, 402, 403, 404, Physical Education 405, Psychology 409, Religion 341, 342, Sociology 330, Sports Medicine 400.

### **Auditing**

Students may audit courses with the permission of the professor and the Registrar. If it causes an overload, or if the student is part-time, the audit fee of \$175 is charged. This fee is not refundable if the student withdraws from the course for any reason. Audit status may be changed to credit status only within the first four weeks of the semester and upon additional payment of tuition required for part-time credit or overload credit, if either applies. (See page 33) A for-credit course may not be changed to audit status once the withdrawal period has lapsed (one week after mid-term). This change requires approval of the professor and the Registrar.

### Foreign Study and Travel Credit

Students participating in programs of international travel and study under authorized leadership may apply for elective academic credit. An official copy of the transcript must be filed with the Registrar. Credit is determined by the Registrar.

### Charlotte Area Educational Consortium

Wingate participates, with twelve other institutions of the greater Charlotte area, in an educational consortium. The purpose of the consortium is to facilitate cooperation and to make available to students at member institutions opportunities available on other member campuses.

Wingate students enrolled as full-time undergraduate students may take courses offered on the campus of the ten other Charlotte area cooperating schools. Cross-registration is done on a space-available basis on the campuses to be visited, and the students are not required to pay additional fees.

Wingate students provide their own transportation. Details for cross-registration are available from the Registrar.

### Independent Study

Independent study involves an arrangement between a student and a professor approved by the student's advisor for exploration of a particular subject or topic. The arrangement is normally initiated by the student who has in mind specific goals.

Candidates for the baccalaureate degree are encouraged to complete one course of independent study; some programs require at least one course of this nature. Each division offering a baccalaureate program has a course numbered and identified as independent study. The course may count toward the requirements for the major or as an elective, if a student wishes to pursue independent study in a non-major area.

Each independent study arrangement must be approved both by the chairperson of the division in which the student is doing the study and the Provost at least 30 days prior to the onset of the study itself. Ordinarily, a student may enroll in only one three-hour independent study each semester. A 2.00 cumulative quality point average is required for all students engaging in independent studies.

Students whose preparation and experience offer the opportunity for a highly individualized baccalaureate program may, in consultation with the advisor, present for approval a program with a large component of independent study. Students whose baccalaureate plan includes more than nine hours of independent study in addition to a maximum of 12 hours in a practicum, field experience, internship, etc. must submit an outline of their baccalaureate program to the Academic Affairs Committee for approval.

Independent Studies should be completed by the end of the semester in which the student is enrolled for that particular course. Incompletes are to be given only for medical and extenuating circumstances. Completion deadlines must be rigidly maintained.

### Directed Study (Courses by appointment)

In rare instances, it may be necessary for a student to take a catalog course on an

individual basis. Such a request must be approved by the Division Chairperson and the faculty member who is to teach the course.

Approval is granted only under certain conditions:

1. The student must have a cumulative grade-point average of 2.00.
2. A student will not be allowed to take a directed study course to repeat a course in which a grade of "D" or "F" was previously earned.

### **Practicum, Field Experience, and Internship**

Baccalaureate programs at Wingate University may include practical experience as a major constituent. Plans for practicums should be made with both academic competency and career plans in mind. Experience should integrate various elements of the student's academic program. This experience should be planned by the student and the advisor, and approved by the Provost at least 30 days prior to the beginning of the experience. Credit may vary from 3 to 12 semester hours, depending upon the nature of the experience, its intensity and/or duration. This determination will be made by the student, the advisor, the divisional committee on independent study and practicums, and the Provost.

The student pays tuition and housing charges for the duration of the practicum. However, board fee for this period is not assessed unless the student resides full-time on campus.

### **Summer Session**

In summer session, a student may complete up to 6 semester hours (2 courses) per term. No tuition refunds are made during summer enrollment once classes have begun.

Students may withdraw from summer school up to one day after mid-term without academic penalty.

The same high standards of the University are maintained with regular faculty members serving as instructors. Living accommodations and recreation facilities of the regular session are available.

For information concerning admission, course offerings, and other matters contact: Director of Admissions, Wingate University, Wingate, North Carolina 28174.

### **R.O.T.C.**

Wingate University has a cooperative program with UNC-Charlotte under which Wingate students may enroll in the U.S. Army Reserve Officers' Training Program (ROTC). Both men and women are eligible for this program and must travel to either the UNC-Charlotte campus or the Charlotte Reserve Center to take instruction and training. Wingate University also offers the voluntary Air Force Reserve Officers Training Corps (AFROTC) Program in cooperation with UNC-Charlotte within the terms of the existing agreements between member schools of the Charlotte Area Educational Consortium. The program is available to all students with at least two years of education remaining. Detailed information on these programs is available in the Registrar's Office and from the Department of Military Science, UNC-Charlotte, Charlotte, N.C. 28225.

### Credit By Examination

Students may earn a maximum of 30 hours toward the baccalaureate degree by examination.

A maximum of 15 hours may be earned by satisfactory scores of three, four, or five on the Advanced Placement of University Entrance Examination Board (CEEB) achievement tests, scores of five, six, or seven on the Higher Level Examinations of the International Baccalaureate, or for University level work completed at an accredited University while the student is enrolled in secondary school. An additional 15 hours may be earned on subject exams of the University Level Examination Programs (CLEP).

Wingate will allow credit for a maximum of 15 hours for DANTES courses which are compatible with the curriculum of Wingate University and on which the student score ranks at the minimum of the fiftieth percentile of the testing group.

Credit by departmental examination is available for students enrolled in any course that Wingate University teaches, subject to the following restrictions:

1. A student may earn no more than 6 hours credit by departmental examination in any given semester.
2. A full-time student may request the opportunity to demonstrate proficiency at any time prior to mid-term. The student must secure permission from the professor who will administer the examination from the department chair, from the Assistant to the Provost, and from the Registrar. The necessary form may be secured from the Office of the Registrar. Before an exam is given, the student must pay a \$125 non-refundable fee to the Business Office. If proficiency is demonstrated in the first week of classes in any semester, the student will be permitted to enroll in another course.
3. Students enrolling in another course in a given semester will pay a fee of \$355 for each credit hour over 18 if the total credits attempted in that semester exceed 18.
4. In any course involving laboratory experience, credit by examination must be earned by separate examinations in the lecture and laboratory portions of the course.
5. Courses requiring proficiency in specific methods and/or techniques (performance groups, supervision, and/or observations in the field) are excluded from any credit by examination.
6. Credit will not be given for a prerequisite to a course for which the student has already received credit. Credit will not be given for a course for which the student has already registered, whether for credit or audit.
7. The examination and its evaluation will be a collective decision of the departmental faculty.
8. When proficiency is demonstrated, credit by examination (CE) will be indicated on the transcript, but no grade points will be awarded.
9. The acceptability for transfer to other colleges or universities of credit so earned is not guaranteed.
10. Part-time students must pay a \$150 non-refundable fee to the Business Office before an examination is given. Additionally, if the student passes the examination, the student must pay to the Business Office one-half of the current per-semester-hour charge for the credit earned. Payment of all fees must be made to the Business Office prior to the recording of the grade on the student's transcript.

## Chapter 5

# Programs of Study

### Degrees

Wingate University offers majors which lead to masters and baccalaureate degrees. Baccalaureate degree offerings include the Bachelor of Arts, Bachelor of Science, Bachelor of Music Education, and Bachelor of General Studies.

The graduate programs are described in this bulletin beginning on page 119.

### Baccalaureate Majors

Wingate University offers thirty-nine majors at the baccalaureate level. Students choose at least one major. Requirements for majors are explained within their respective academic departments. The courses for a major may include introductory or basic prerequisite and higher level courses in the major discipline and/or related disciplines. Some majors permit or require a student to select an area of concentration that allows greater focus on a sub-discipline within the major subject area. Should a student pursue a second major, no more than two courses from the primary major can be counted toward the second major(s). Majors include:

The Bachelor of General Studies degree is a non-traditional program giving the student flexibility in creating an individual curriculum.

**Minors**

To complement a major, students may choose a minor (minimum of 18 semester hours) in one of 32 areas. Minors are not required. Minors do not have to be in the same academic department as the baccalaureate major. For example, a student may choose a Human Services major and elect to pursue an, 18-hour minor in management. Each department defines minors in each discipline in which a minor may be earned (See below.) No more than two courses counted for a major may also be counted for a minor. Likewise, no more than two courses counted for a minor can count toward another minor (with the exception of a biology and chemistry combination). Possible minors include:

- |                       |                                   |

**Electives**

The student and advisor should plan carefully electives which compliment the desired major. Electives may be chosen from any course offered in the University provided pre-requisites are met. A student should consult with the advisor in choosing electives which will meet degree and career objectives.

### Explanation of Terms

Course numbers have the following meanings:

- 100-199 Designed primarily for freshmen, but may be taken by all students.
- 200-299 Designed primarily for sophomores, but may be taken by all students.
- 300-399
- 400-499 Designed for juniors and seniors.
- 500-699 Graduate courses.

Courses numbered below 100 will not count toward meeting degree requirements.

### The Bachelor of General Studies

The Bachelor of General Studies degree program is for non-traditional students and for individuals whose college careers may have been interrupted. A student interested in the B.G.S. degree must consult with the Registrar before applying for candidacy. To apply for candidacy the individual should have completed at least 40 semester hours of college work and application should be made one academic year prior to the anticipated date of graduation. Prospective B.G.S. students should note the following information and guidelines.

1. The B.G.S. is a non-traditional degree designed to give the student a personal curriculum. It is not intended to meet professional standards and it is not intended to prepare the student for a particular vocation.
2. The following core requirements must be completed:

	hours
English 101-102	6
Literature survey	3
History 101-102	6
Fine Arts (music, art, theatre)	3
Social Science	3
(sociology, psychology, political science, or economics)	
Natural Science	3-4
Speech 101	3
Mathematics	3
(college algebra, finite math, statistics)	
Biblical Studies	3
Religion 481, 482, or 483	3
	36-37

3. The following regulations apply to the Bachelor of General Studies degree.
  - a. A student must earn a total of 120 semester hours.
  - b. A student must complete all requirements for a major as listed in this catalog or completion of a concentration of at least 18 hours in one discipline in upper division courses prescribed by the appropriate department. Concentrations are described on page 64 (minors).
  - c. Courses numbered below the 300 level may not apply toward completion of a concentration.
  - d. A student must successfully complete 40 semester hours of course work numbered 300 or above (including transfer courses).
  - e. A student must attain a minimum 2.0 grade point average on all work attempted at Wingate University.
  - f. A maximum of 90 semester hours may be transferred from other accredited institutions; however, no grade below "C" may be transferred to Wingate University. Credits transferred from a two-year institution may not exceed 64 semester hours.
  - g. Credit for any course may apply toward a degree only once, even if the course is repeated.
  - h. The last 30 semester hours must be completed at Wingate University.
  - i. A student must have competency in basic use of computers demonstrated by taking a course in computer science or by showing that another course contains a substantial component of computer usage.
4. To be admitted to candidacy for the B.G.S. degree, the student must:
  - a. visit the office of the Registrar for an initial conference, credit evaluation, advising, and development of a personal plan of study;
  - b. submit a letter to the Registrar requesting permission to enter the B.G.S. degree program, giving reasons for seeking the degree and indicating awareness of the practical usefulness of the degree. The letter should conclude with a detailed personal plan, including courses to be taken and an anticipated date for graduation, as worked out in conference with the Registrar; and,
  - c. the student's personal plan must be accepted and approved in writing by the office of Provost. The student becomes a B.G.S. degree candidate after the personal plan has been approved.

### Pre-Law

There is no specific course or curriculum for Pre-Law. Rather, the student is urged to consider those courses which will best enable him/her to develop the characteristics and qualities listed as criteria for admission, and to develop the ability to analyze problems, arrive at proper decisions, and to enunciate those decisions fully both orally and in writing. Among the courses usually included in the preparation for law school would be such as history, English, composition, speech, economics, accounting, business law, and government. There are any number of majors which, with appropriate electives, will prepare the student for entry into law school and the profession of law. The student planning to attend law school is urged to meet with a Pre-law Advisor not later than during his/her sophomore year. Admission to a professional school, such as law, demands that preparation be commenced far in advance of formal application for admission. Admission to law school is usually based upon a number of criteria, including the applicant's academic record and a bachelor's degree, the Law School Admission Test (LSAT) score, formal application, letters of recommendation/evaluation, and other factors such as employment experience, extra-curricular activities, community involvement, commitment to high standards of morality and ethics, reasons for wanting to study law, competence in writing and speaking, emotional stability, maturity, initiative, motivation, and any other relevant information. The purpose of screening applicants for admission is to determine the probability of the student's success in law school and in the practice of law. Competent, individual advice in the selection of courses and general counselling are of inestimable value to the Pre-Law student. The Faculty Advisor Program of Wingate University is uniquely capable of guiding the undergraduate student in the preparation for graduate professional education.

### Pre-Engineering

Wingate provides a path for students planning to pursue a bachelor's degree in engineering. This program includes the necessary science, mathematics, economics, humanities, and social science courses. In addition to the general education requirements students should complete the following courses for transfer to an accredited engineering program:

Chemistry 101-102	Principles of Chemistry I & II
Physics 201-202	Principles of Physics I & II
Math 120, 220, 304	Calculus and Analytical Geometry I, II & III
Math 310	Differential Equations
Economics 111, 112	Micro- & Macro-Economics
English 101-102	Communication I & II
History 101-102	World Civilization I & II

Additional humanities, social science, fine arts, language, and physical education courses are necessary to complete a full schedule of coursework. Pre-engineering students will work closely with their advisor in selecting the appropriate courses for their field of interest and to fulfill the requirements of the engineering school.

## College of Arts and Sciences

Dean: Jerry L. Surratt

The college of Arts and Sciences represents the Wingate conviction that truth has a unitary character and that our knowledge and understanding of truth can be enhanced through the exploration of ideas in academic disciplines. These basic disciplines are so related both in content and methodology that they frequently overlap in the experience of the learner. The interrelation of arts and sciences has deep roots in the Western intellectual tradition - - it was quite clear in medieval Europe and can be recognized in the classical traditions of Rome and Greece. One or more of these disciplines has been involved in most of the discoveries of truth about our world and ourselves since the beginning of human civilization.

Wingate University unites these disciplines in an effort to clarify and strengthen our educational mission and to coordinate the administration of our daily tasks. We recognize the unique contribution of our individual fields. But we share a common vision for truth. We believe that truth can and will emerge in a collegial community.

The truth of the arts and sciences enriches our solitude in this life and provides a multi-disciplinary base upon which we build a specialization or academic major. That speciality training then enhances our ability to earn a living in modern society.

We urge students to discern the unity of truth which this organization represents and to exemplify that unity as educated persons.

## Department of Art

## Department of Communication Studies

**Professors:** ..... L. Smith (Chair)  
**Associate Professor:** ..... Cannon  
**Assistant Professors:** ..... L. Coleman, Coon  
**Instructors:** ..... B. Smith

### Goals and Objectives

The Department of Communications Studies exists to offer high quality interdisciplinary instruction to students enrolled in the Communications program and to general university students. The program emphasizes both theory and application of the various communication arts. Students may choose one or more of the following disciplines for emphasis: Broadcast Journalism, Journalism, Public Relations, Speech Communication, and Media Arts. The specific objectives of the department are to:

Offer baccalaureate degrees in Communication which are appropriate to the students served.

Offer Public Speaking and other courses of general interest as components of the university's general education requirements.

Offer elective courses in Communication for the general student population.

Offer writing opportunities through the university yearbook and newspaper.

Offer the opportunity to participate in intercollegiate forensics, both public address and oral interpretation of literature.

Offer students television production opportunities through WCTV, the university's television studio and cable television channel.

Provide cable television programming for the general campus community and the public.

### Area of Emphasis Goals

The Broadcast Journalism emphasis is designed to prepare the student to function effectively in the various areas of electronic journalism. The Journalism emphasis is designed to prepare the student to function effectively in print journalism. The Media Arts emphasis is designed to prepare the student to function effectively in communication through moving image and sound. The Public Relations emphasis is designed to prepare the student to function effectively as the communications link between organizations and their publics. The Speech Communication emphasis is designed to prepare the student to function effectively in the various areas of human communication.

### Department of Music

**Professors:** ..... Asti (Chair), Bostic, Murray  
**Associate Professors:** ..... Blizzard, Hutton  
**Assistant Professors:** ..... Etters

#### Goals and Objectives

The Department of Music exists to provide music instruction of high quality to students enrolled in music degree programs and to general university students. The specific objectives of the department are to:

- Offer baccalaureate degrees in music which are appropriate to the students served.
- Offer Music Appreciation and Humanities courses as options for the Fine Arts component of the university's general education requirements.
- Offer elective courses in music for the general student population.
- Offer performance opportunities in instrumental and vocal ensembles for all students.
- Offer concerts, recitals, and master classes for music students, the campus community, and the public.

#### Degree Program Goals

The Bachelor of Arts in Music with an emphasis in performance curriculum is designed to bring the student to the highest level of achievement on a principal performing instrument (piano, organ, voice, or guitar), supported by studies in advanced musicianship.

The Bachelor of Music Education curriculum is designed to prepare the student for certification to teach general music as well as choral and instrumental music in public schools, grades K-12.

The Bachelor of Arts in Music is designed for the study of music within a liberal arts curriculum which emphasizes the literature of music and includes studies in musicianship and performance. When structured carefully, this degree can be combined with degree requirements in another discipline to create a double major in music and another field.

The curriculum for the Bachelor of Arts in Music with an Emphasis in Business is designed to develop knowledge and skills in both major disciplines and then focus on a business career related to music.

The curriculum for the Bachelor of Arts in Music with an Emphasis in Communications is designed to develop knowledge and skills in both disciplines and then focus on a communications career related to music.

#### Requirements for music majors

*Placement Audition.* Persons wishing to pursue a music degree must audition for the music faculty on their principal instruments prior to their first semester of study at Wingate University. The purpose of the audition is to identify the performance level of the student.

The incoming vocal principal should be able to perform by memory, to sing or pitch, and to phrase musically. In addition, a rudimentary knowledge of piano is expected as displayed by the playing of a simple melodic line.

Entering keyboard students (piano and organ principals) should be able to demonstrate proficiency in playing scales and arpeggios (major and minor) and should have performed works such as the following: Bach-Inventions; sonatinas or sonatas by Clementi, Mozart and Haydn; Chopin-Preludes; Mendelssohn-Songs Without Words; and 20th century compositions.

A prospective instrumentalist should consult with the director of bands concerning appropriate music for the audition.

*Principal Performance Study.* A student will select one instrument (organ, piano, voice, band instrument, or guitar) for concentrated study as per the requirements of the particular program of study in music being pursued.

*Preparatory Performance Study.* If deficiencies in the area of the student's principal instrument are identified by the music faculty during the placement audition, the student will be required to register for Preparatory Performance Study 111, 121, etc. until proficiency for Principal Performance Study level is attained.

*Secondary Performance Study.* Each student must study four semesters on one instrument for four hours of credit. It is recommended that these hours be taken consecutively. B.M.E. students must have at least one semester of vocal study.

*Performance Study Examinations.* Each music student enrolled in private applied study will have a performance study examination at the end of each semester. Guidelines are available in the department office.

*A Theory Placement Examination* is given to all entering students wishing to pursue a music degree. The exam includes the fundamentals of notation (pitch and rhythm), tonality, scales, interval and triad structure.

*Piano Proficiency.* (MUS 299) Students pursuing the B.A. in Performance or B.M.E. degree must complete all portions of the piano proficiency prior to the semester in which the Junior Recital is to be given. The student will not be allowed to give the recital without the completion of this requirement. The requirements for the piano proficiency are listed in the music department manual.

The proficiency examination will be scheduled at the beginning, middle, and end of each semester. During each examination, the student must attempt all parts of the proficiency test.

*Recital Performance Requirements.* All students in Principal Performance Study perform at least twice in student recitals each semester. Performance Emphasis students give a sophomore, junior, and senior recital (Music 220, 320, 420). Students in the Bachelor of Music Education and Bachelor of Arts in Music programs give a junior recital (Music 320).

*Recital Attendance Requirement.* Students pursuing music degrees at Wingate University are expected to attend recitals and concerts presented on campus. For specific attendance requirements for each program of study, see the description of the course, Recital and Concert Lab, Music 125. . . 426.

*Elective Music Courses.* For students studying other academic fields, electives in music are offered. Chamber Choir, University Chorus, Marching Band, Symphonic Band, Jazz Ensemble, Chamber Ensemble, and Wingate Chorale give all students the opportunity to participate in performance ensembles.

The purpose of the School of Business and Economics is to give the student a fundamental knowledge of the functions and processes of business and a basic understanding of the workings of the American economy. Wingate, through instruction in specific business disciplines, aids in the development of broad skills in administrative disciplines, and supplements business studies with courses from liberal arts. A B.S. or B.A. degree is offered in Accounting, Economics, or Business Administration with emphases in accounting, computer information systems, finance, marketing and management. B.S. degree candidates will meet their requirements through additional intermediate level general education requirements in mathematics and/or laboratory science. B.A. degree candidates will meet their requirements through additional intermediate level general education requirements in foreign language and literature. A Master of Business Administration is offered. This program is designed to provide working professionals the advanced training necessary to prepare them for top management positions. For further details, consult the separate catalog for the MBA program and page 124 of this catalog.

All Business and Economics majors are required to take an exit examination in business in the last semester before graduation. This examination is required for accreditation purposes.

## School of Education

<b>Dean:</b> .....	Robert A. Shaw
<b>Professors:</b> .....	R. Shaw, C. Thompson, S. Harrison-Burns
<b>Associate Professor:</b> .....	M. Pearce
<b>Assistant Professor:</b> .....	C. Sheets

### Department Coordinators:

<b>Elementary Education</b> .....	Pearce
<b>Middle Grades Education</b> .....	Harrison-Burns
<b>Secondary Education</b> .....	Shaw
<b>Special Subjects (K-12)</b> .....	Murray

The School of Education houses the Wingate University Teacher Education Program and offers eleven majors (12 certification areas): Elementary Education (K-6), Middle Grades Education (6-9 Language Arts, Social Studies, Mathematics, and Science) Biology and Chemistry Education (9-12), English and Education (9-12), History and Education (9-12), Mathematics and Education (9-12), Art and Education (K-12), Music Education (K-12), Reading (K-12)/Elementary Education, Physical Education (K-12), and Spanish and Education (K-12).

The Wingate University Teacher Education Program is designed to meet the North Carolina Competencies and Guidelines for Approved Teacher Education Programs. Teaching preparation is within the context of a well-rounded liberal arts education, integrated with the principles of a Christian institution. This program is committed to early identification of education majors and early observation and participation experience in the public schools. The model of the Teacher Education Program is The Effective Facilitator of Learning, which encompasses three overall goals:

To facilitate the development of:

1. The Teacher as Generalist and Specialist.
2. The Teacher as Scientist and Artist.
3. The Teacher as a Thinking, Ethical Decision-Maker.

The more specific objectives of the Program that lead to fulfillment of these goals and the model are:

The student will:

1. Develop a broad knowledge and understanding of the liberal arts, including language, literature, religion, fine arts, history and the social/behavioral sciences, world awareness, mathematics and the natural sciences, and physical fitness.
2. Develop moral, spiritual, and ethical concerns of life and culture in America and internationally and demonstrate the abilities to practice these values and ethics through thoughtful decision-making.
3. Develop a broad and in-depth knowledge and understanding of the subject area(s) to be taught.
4. Develop a knowledge and understanding of the historical and philosophical foundations of education, curriculum and instruction, theories of learning,

child growth and development, characteristics and needs of the special child, effective teacher behaviors, and methods and techniques for instruction and evaluation of all children.

5. Develop and enhance abilities and competencies in effective teaching behaviors and adaptive planning, instruction, and evaluation through supervised pre-student teaching field experiences appropriate to subject and level of certification.
6. Demonstrate and refine effective teaching behaviors and adaptive planning, instruction, and evaluation through a supervised fifteen-week student teaching experience appropriate to subject and level of certification.

Three areas of study comprise each program of study: General Education Requirements, Professional Studies, and Specialty Studies. These components allow the student to develop an understanding and appreciation of the liberal arts, the specific field of education, and the area of specialization.

### ENTRANCE REQUIREMENTS FOR THE TEACHER EDUCATION PROGRAM

#### Degree-Seeking Students

Students may be admitted to a teacher education major upon satisfying the requirements and being approved by the Teacher Education Committee.

1. The student must submit a formal application to the Teacher Education Committee after completing forty-five semester hours of University work. A brief autobiography and photograph must accompany this application.
2. The student must have a cumulative grade point average of at least 2.5 at the time of application and maintain at least a 2.5 through graduation.
3. The student must have passed at least one course in education at Wingate University and must have a minimum of fifteen clock hours of field experience in an elementary, middle, or secondary school.
4. The student must successfully meet the minimum score requirements of the PRAXIS series tests.
5. The student must have a minimum grade of "C" in English 101 and 102. Additionally, Elementary Education applicants must have a minimum grade of "C" in Math 106 and 107.
6. The student must provide three references from University instructors. One of these recommendations should come from an instructor in education.
7. One or two letters of recommendation from any source may be included in the student's file at the student's request.
8. The student must be interviewed by at least one education instructor.
9. The Teacher Education Committee reserves the right to deny admission or continuance in the program to any student who has demonstrated a lack of academic competency, a sense of responsibility, effective interpersonal relationship skills, or high moral standards.
10. Exceptions to the above policies may be recommended by the Director of Teacher Education and approved by the Teacher Education Committee.

### Certification-Only Students

A. Initial Certification students holding Baccalaureate degrees who wish to seek initial certification must be admitted to the Teacher Education Program before being allowed to student teach and before being recommended for certification.

A student may be admitted to the Teacher Education Program upon satisfying the following requirements and being approved by the Teacher Education Committee.

1. The student must submit a formal application to the Teacher Education Committee after completing 12 semester hours of University work at Wingate. A brief autobiography and photograph must accompany this application.
2. The student must have a cumulative grade point average of at least 2.5 on the post-Baccalaureate course work taken at Wingate University at the time of application and must maintain a 2.5 through student teaching.
3. The student must have passed at least one course in education at Wingate University and must have a minimum of fifteen clock hours of field experience in an elementary, middle, or secondary school. This field experience must be an evaluated part of an education course taken at Wingate University.
4. The student must successfully meet the minimum score requirements of the PRAXIS series tests.
5. The student must have a minimum grade of "C" in English 101 and 102 or equivalent. Additionally, Elementary Education applicants must have a minimum grade of "C" in Math 106 and 107.
6. The student must provide three references from University instructors. One of these recommendations should come from an instructor of education.
7. One or two letters of recommendation from any source may be included in the student's file at the student's request.
8. The student must be interviewed by at least one education instructor.
9. The Teacher Education Committee reserves the right to deny admission or continuance in the program to any student who has demonstrated a lack of: (1) academic competency, (2) a sense of responsibility, (3) effective interpersonal relationship skills, or (4) high moral standards.
10. Exceptions to the above policies may be recommended by the Director of Teacher Education and approved by the Teacher Education Committee. Program requirements for the student seeking only initial certification will be determined by review of the student's University transcript by the Director of Teacher Education.

All requirements in Professional Studies, the Specialty Studies, Speech and Health must be met. In addition, the student may be required to take certain General Education Requirements as preparation for the Praxis Series Tests. The Director of Teacher Education reserves the right to require a student to retake an education course at Wingate University.

*Note: Lateral Entry students must meet the same admission criteria as Initial Certification students.*

### **B. Adding an Area of Certification**

A student wishing to add another area of certification to a current or expired certificate will be required:

1. To meet all requirements for the Specialty Studies.
2. To meet all requirements for the Professional Studies. Student teaching will be required if the additional area of certification is significantly different from the initial area of certification as determined by the Director of Teacher Education.
3. To meet the minimum score on the Praxis Area Test.

## **PROGRESSION IN THE TEACHER EDUCATION PROGRAM**

### **The 50% Rule**

The North Carolina Quality Assurance Program limits the progression of undergraduate candidates in teacher education programs to introductory courses only and to no more than one-half of the total professional studies core courses, exclusive of student teaching, until formal admission requirements have been satisfied.

The Professional Studies Core requirements, exclusive of student teaching, of which not more than three (3) courses may be taken prior to meeting ALL entrance requirements for formal admission to the Teacher Education Program are the following:

**Education 201, 205, 305, 330**

**Education 342 or 322**

A student must satisfy ALL conditions for full admission not later than the end of the first semester following that in which initial application was made.

### **Student Teaching**

A student must have completed all program requirements in a satisfactory manner prior to student teaching.

A student must have a cumulative grade point average of at least 2.5 overall and at least 2.5 in the specialty area(s) in order to student teach. The specialty area is comprised of the Professional Studies Core and the Specialty Studies Core. (A minimum grade of "C" is required in each course.)

Application for permission to student teach is made to the office of the Director of Teacher Education during the semester prior to the anticipated student teaching.

Students who meet the requirements outlined in the *Teacher Education Handbook* will be allowed to student teach.

The Wingate University Teacher Education Program does not require student teaching of lateral entry students who can supply adequate documentation of effective teaching skills. Verification of the skills may require on-site supervision by a Wingate University Education professor.

**Sports Medicine**  
**B.S. Degree**

**Entrance Requirements**

Students may be admitted to the Sports Medicine Major upon satisfying the following requirements:

1. Successful completion of the following required sports medicine courses:
  - a. Biology 311, 312
  - b. Physical Education 245
  - c. Sports Medicine 101 (minimum grade of "C"), Sports Medicine 201
  - d. Sports Medicine 305 (minimum grade of "C")
2. Minimum cumulative index of 2.5 for all undergraduate coursework completed at Wingate University.

3. Completion of a minimum of 200 hours of practical field experience in the Wingate University athletic training rooms under the direct supervision of a clinical instructor.
4. Successful completion of a written and oral/practical examination.
5. Successful interview with the Health, Physical Education and Recreation Department Head, the Sports Medicine Education Program Director, the Head Athletic Trainer, and a senior student athletic trainer enrolled in the program.

Once admitted into the program, students will be required to maintain an overall minimum cumulative index of 2.5 and satisfactory performance during the practical experience (as explained in the sports medicine handbook) to remain active in the athletic training room and continue their practical field experience. 1,500 hours of practical field experience is a graduation requirement for the Sports Medicine Major at Wingate University.

Any student receiving a grade lower than a "C" in a sports medicine required course must take that course over again. If that particular course is a prerequisite for other courses, the other courses may not be taken until a "C" has been achieved. They may, however, be taken concurrently. These courses are: SMED 201, 305, 315, 320, 326, 420, 425 and 410.

## MASTER OF ARTS IN EDUCATION

*Director:* Robert A. Shaw, Ed.D.

Wingate University offers a thirty semester hour graduate program leading to the Master of Arts degree in Education and graduate-level certification in the areas of Elementary Education (K-6), and Middle Grades Education (6-9). The graduate program focuses on the professional development and immediate responsibilities of teachers and is designed to relate to the spiral curricular content of the public school. The graduate program was established in response to the expressed interest and needs of superintendents and teachers in seven school systems surrounding Wingate University and is seen as an outgrowth of a strong undergraduate teacher education program.

All degree-seeking candidates take the following core of graduate courses:

**Education 501. Advanced Foundations.**

**Education 502. Issues in American Education.**

**Education 503. Educational Research.**

**Education 515. Independent Project.**

**Education 518. Strategies of Teaching.**

**Education 525. Thesis.**

Candidates in Elementary Education take the following four courses designed to complement the spiral curricular content of the public school.

**Education 504. Language Arts in the Curriculum (K-6).**

**Education 505. Mathematics in the Curriculum (K-6).**

**Education 506. Social Studies in the Curriculum (K-6).**

**Education 507. Natural Science in the Curriculum (K-6).**

Candidates in Elementary Education take Education 516 and those in Middle Grades Education take Education 514.

Students seeking a Master of Arts Degree in Education at the Middle Grades level choose one of three academic areas and take their content-focused courses in that area. The three areas of academic preparation at the Middle Grades level are Language Arts, Mathematics, and Social Studies.

**Language Arts:**

English 516- Viewing and Listening Skills for the Middle Grades Teacher (6-9).

Education 510 - Language Arts in the Middle Grades Curr. (6-9).

English 517- Linguistics for the Middle Grades Teacher (6-9).

English 515-Adv.Composition and Writing for the Middle Grades Teacher(6-9).

**Mathematics:**

Math.Ed. 517- Number Theory for the Middle Grades Teacher (6-9).

Math Ed.515- History of Mathematics for the Middle Grades Teacher (6-9).

Education 513- Mathematics in the Middle Grades Curr. (6-9).

Math Ed. 516- Geometry for the Middle Grades Teacher (6-9).

**Social Studies:**

Political Science 516- Comparative Economic and Political Systems.

History 516- Contemporary United States History.

Ed. 511- Social Studies in the Middle Grades Curr. (6-9).

History 515- Interpreting N. C. History.

**Admission Requirements**

1. Bachelor's degree from an accredited college or university.
2. Undergraduate major in education or Class A certification to teach in the public schools. Certification must be appropriate for the proposed area of graduate study.

3. A 3.0 (B) cumulative grade point average during the last two years of undergraduate university or a 3.0 grade point average in the education major.
4. An official test score for the Miller Analogies Test (MAT) or the Graduate Record Examination (GRE).
5. Two recommendations from administrative or supervisory personnel (forms provided with application packet).
6. Receipt of official transcripts from all schools attended.
7. Acceptance by the Director of Graduate Studies or, in cases involving provisional status and/or student appeal, acceptance by a subcommittee of the Graduate Council.
8. Additional information leading to acceptance may be required (example, a personal interview).

Admission on conditional status will be considered and decided upon by a subcommittee of the Graduate Council. The manner in which conditional status can be satisfied is specified in writing in the Graduate Bulletin.

### **Graduation Requirements**

1. Overall grade point average of 3.00 (B) with no grade lower than a "C" at time of graduation.
2. Successful completion of a written comprehensive examination after the successful completion of 24 semester hours.
3. Completion of Education 515: Independent Project, or Education 525: Thesis, both of which require a favorable discussion of the project with a graduate faculty committee or completion of six (6) semester hours of restricted electives.
4. Completion of the degree within six years from the initial date of admission to the program as a degree-seeking student.

### **Transfer Credit**

A student may be permitted to transfer from another accredited graduate school up to six semester hours of appropriate graduate credit, provided the credit was gained during the four-year period preceding the student's admission to Wingate's graduate program and is a "B" or better.

Students seeking transfer credit must initiate this action with the Director of Graduate Studies before planning and proceeding with their course of study. Transcripts will not automatically be reviewed for transfer credit.

It is expected that most graduate students will complete the program over a twenty-four month span of time: two summers with 9 hours each summer (18 hours), two semesters with 3 hours per semester (6 hours), and the Independent Project or Thesis (6 hours or 6 semester hours of restricted electives) completed during a school year. Students are not required to follow this particular program completion plan, but must complete the degree within six years from the date of official acceptance.

Mathematical contributions of Greeks and Arabs; development in history of mathematics (e.g. Euclid, Archimedes, Newton, Euler); historical interplay between mathematics and physical sciences.

Credit: three hours.

**Math Education 516. Geometry for the Middle Grades Teacher (6-9).**

Theory and application of Euclidean plane geometry; use of fundamentals of Euclidean solid geometry; application of analytic methods to geometric problems; historical and mathematical significance of Parallel Postulate; introduction to Non-Euclidean geometry. Credit: three hours.

**Math Education 517. Number Theory for the Middle Grades Teacher (6-9).**

Components of elementary number theory, including modular arithmetic, Fundamental Theorem of Arithmetic, and basic theorems pertaining to primes, composites, multiples, and divisors. Application of binomial theorem. Fundamental Theorem of Algebra. Credit: three hours.

**Political Science 516. Comparative Economic and Political Systems.**

Consideration of major types of economics and their expression through

differing political systems. Emphasizes curricular needs of Middle Grades social studies teachers. Credit: three hours.

## MASTER OF BUSINESS ADMINISTRATION

*Director:* Charles F. Palmer

The Wingate Master of Business Administration (MBA) program is designed to meet the needs of business professionals in the dynamic Charlotte area and Southern Piedmont region. The program is structured to blend with professional work experience to help committed professionals achieve their best.

The Wingate MBA program is tailored for working professionals preferably with a minimum of one year of professional work experience. Since all students in the program have had real professional experience, the program is able to accentuate business theory and skills with a practical application emphasis.

The Wingate MBA program offers a carefully chosen group of courses to give students a wide exposure to the key areas of business administration. While the curriculum maintains rigorous academic standards, the teaching and learning occur in an environment of support for professionals who are seeking assistance for problems they face in the everyday work setting. Degree requirements may be obtained from the School of Business and Economics

### Admission

Application forms for admission to the program may be obtained by contacting the Director of the MBA Program, School of Business and Economics, Wingate University, Wingate, NC 28174 (704) 233-8148.

All applications will be evaluated on an individual basis to determine an individual student's readiness to enter the program. All applicants must hold a baccalaureate degree from a regionally accredited institution of higher education. Applicants should preferably have one or more years of significant full time business or administrative experience.

Application for admission requires the following:

1. An official transcript from each university or university attended.
2. A satisfactory score on the Graduate Management Admission Test (GMAT) taken within the last five years.
3. A satisfactory undergraduate grade point average.
4. Two letters of recommendation. Twenty-five dollar non-refundable registration fee.
5. Students whose native language is not English may be required to submit scores on the Test of English as a foreign language (TOEFL).

## Prerequisites

Students who have completed an undergraduate program of study in business will generally not be required to take any prerequisite courses. However, since many applicants for the program come from engineering, education, liberal arts or other undergraduate backgrounds, each student will be advised about prerequisite courses.

Applicants can satisfy these prerequisites by showing that they have completed appropriate coursework with at least a "C" or by taking special courses offered by Wingate University.

To assist applicants, Wingate offers prerequisite courses:

General Principles of Accounting I .....	3 credit hrs.
General Principles of Accounting II .....	3 credit hrs.
General Principles of Economics I .....	3 credit hrs.
General Principles of Economics II .....	3 credit hrs.
Business Statistics .....	3 credit hrs.
Intro to Computer Info Systems .....	3 credit hrs.
Math, University Algebra, or Calculus .....	3 credit hrs.
Business Law I .....	3 credit hrs.
Principles of Marketing .....	3 credit hrs.
Principles of Management .....	3 credit hrs.

Wingate also offers combined Accounting I and II and combined Economics I and II, Business Math and Business Statistics, Finance and Legal, and Management and Marketing. Most applicants will have questions concerning their own course background as it is related to the prerequisites. Therefore, applicants are encouraged to discuss these issues personally with the Director of the MBA program.

## GRADUATE COURSES IN BUSINESS

**BUS 601. Business Communications.** Analysis of the concepts and issues in managerial and business communications. Extensive coverage of the techniques of report preparation and presentations (both written and oral), business letters, and memoranda. Emphasis on organization, clarity, brevity, style, and uses of visual aids in writing and speaking. Credit: three hours.

**BUS 602. Legal Environment of Business.** Survey and application of antitrust law, issues relating to employment conditions and discrimination, and regulatory systems concerning labor-management relations. Consumer issues, product liability, and pollution control are also stressed. Credit: three hours.

**BUS 603. Business Ethics.** A study of the ethical responsibilities businesses have to others, such as customers, competitors, employers and employees. Include consideration of the influence of religious and cultural values and the efforts to codify ethics for various industries and professions. Credit: three hours.

**BUS 611. Managerial Economics.** An application of microeconomic theory to management decisions. The topics of the course include demand theory (including revenue and elasticity concepts); production and distribution theory; cost theory; economic profit analysis; market structure analysis; pricing; and other selected applications of microeconomic principles. Credit: three hours.

**BUS 612. Organizational Management.** An analysis of the behavioral dimensions of business organizations. Cases and experiential situations address the topics of motivation, communication, performance, stress, culture, group dynamics, organizations structure, and change. Credit: three hours.

**BUS 613. Managerial Accounting.** The use of accounting information in management decision-making. Specific topics include cost/volume/profit analysis, product costing systems, use of accounting data in pricing decisions, capital expenditure decisions, and production decisions; and planning and control systems, including budgeting and measures of divisional performance. Credit: three hours.

**BUS 614. Quantitative Decision Methods.** An intensive survey and application of mathematical techniques used in solving business problems. A study of probability introduces the course; following topics include decision theory, inventory control models, linear programming, queuing theory, network models for project management, and Markov analysis. Computer applications will be used in most topics. Credit: three hours.

**BUS 621. Operations Management.** The application of mathematical models and statistical analyses to business problems. Major topics include forecasting, facilities layout, production scheduling, material requirements planning, inventory management, quality control, and just-in-time operations. Prerequisite: BUS 614. Credit: three hours.

**BUS 622. Marketing Management.** Problems of specialized marketing strategies for consumer and industrial markets. Marketing research as determinant of policy. Cases emphasizing analysis and decision-making. Credit: three hours.

**BUS 623. Financial Management.** The risk-return relationships is studied through the application of financial analysis. Computer models of working capital management, funds flow analysis, and capital budgeting and structure will be applied to case and problem situations. Prerequisite: BUS 613. Credit: three hours.

**BUS 631. Business Strategy.** Study of management's role in policy formulation and implementation through research and cases. Opportunities are also available to make policy decisions by viewing business from an entrepreneurial perspective. Capstone course, which integrates many courses in MBA program. Credit: three hours.

### MBA PRE REQUISITE COURSES

**BUS 506. Economics 111/112. Principles of Economics I & II for M.B.A. students.** Pre-requisite course for acceptance in program. Credit: three hours.

**BUS 507. Business Management and Marketing Principles.** An introductory course designed to develop a basic proficiency in the principles underlying the organization, management and operation of business activities. In addition, this combined survey course should provide the student with an understanding of the marketing organization and marketing methods, especially as functions and channels relate to the manufacturer, wholesaler and consumer. This course will count as 3 credit hours in the graduate program, but not to the required graduate MBA core.

**BUS 508. Business Math & Statistics.** This course is designed to meet the mathematics and statistics prerequisites for the MBA program. The first part of the course is a review of the topics including: linear equations, and introduction to linear programming, matrices, limits, functions, and a brief introduction of differential calculus. The second part of the course reviews topics in statistics commonly used in decision making, an introduction to probability, expected value, sampling, hypothesis testing, analysis of variance, and linear regression. This course may only be taken to satisfy the math/stat prerequisite for the MBA program. Credit: 3 graduate hours. Credit does not count to the required graduate MBA core.

**BUS 509. Financial & Legal Aspects of Business.** This is a survey course similar to introductory undergraduate courses in finance and law. Legal concepts introduced will include; contracts, property, securities, and entities law, especially as applied to capital and financial markets. Present value math will be covered with applications in annuities, bonds, stock, net present value and internal rate of return. Financial analysis of firms will be studied for leverage, funds needs, forecasting, and dividends. Elementary valuation theory and the organization of financial markets will be introduced. Credit: 3 graduate hours. Credit does not count to the required graduate MBA core.

**BUS 515. Accounting 251/252. Principles of Accounting I & II for MBA students.** Prerequisite course for acceptance in program.

## Chapter 7

# Description of Courses

### ACCOUNTING

**Accounting 251. Principles of Accounting I.** Principles of Accounting as the language of business. Special emphasis upon the reasoning and logic of the accounting cycle for the sole proprietorship. Prerequisite: Sophomore standing or consent of instructor. Credit: three hours. (Recommended Fall Semester) *Not available to students entering after the 1995-96 academic year.*

**Accounting 252. Principles of Accounting II.** Continuation of Accounting 251. Prerequisite: a "C" in Accounting 251. Emphasis on accounting principles as applied to partnerships and corporations. Additional study of accounting as a tool for managerial decision making. Credit: three hours. (Recommended Spring Semester) *Not available to students entering after the 1995-96 academic year.*

**Accounting 253. Principles of Financial Accounting.** Introduction to financial accounting. Accounting as an information development and communication function that supports economic decision making. Overview of the accounting cycle; introduction to financial reporting including preparation and analysis of financial statements. Prerequisite: Sophomore standing or consent of instructor. Credit: 3 hours. (Recommended Fall Semester)

**Accounting 254. Principles of Managerial Accounting.** Review of financial statement preparation and analysis including investment decisions and the Statement of Cash Flows. Use of accounting information in management planning, controlling, evaluating, and decision making. Specific topics include planning and control systems, budgeting, cost/volume/profit analysis, and the use of relevant costs in decision making. Prerequisite: Accounting 253. Credit: 3 hours. (Recommended Spring Semester)

**Accounting 255 Interactive Financial Accounting Lab.** An in-depth study of the mechanics of the accounting cycle and preparation of financial statements. Twelve interactive, primarily self-taught tutorials. Prerequisite: None. Credit: 1 hour. Spring Semester

**Accounting 305. Special Topics in Accounting.** Partnerships, foreign currency transactions, governmental and not-for-profit accounting, interim reporting, segment reporting, bankruptcy, estates, and trusts. Prerequisite: Accounting 313 or consent. Credit: three hours. (Spring Semester)

**Accounting 313. Intermediate Accounting I.** Overview of financial accounting and accounting standards. Specific topics include: conceptual framework of accounting, review of the accounting process, income statement and retained earnings statement, balance sheet, time-value of money, revenue recognition, statement of cash flows and basic financial statement analysis. Prerequisite: Accounting 254 and 255. Credit: three hours. (Fall Semester)

**Accounting 314. Intermediate Accounting II.** In-depth study of the Balance Sheet including: cash, receivables, inventories and inventory valuation, acquisition and disposal of property, plant and equipment, depreciation, intangible assets, current liabilities, and long-term liabilities. Prerequisite: Accounting 313. Credit: three hours. (Spring Semester)

**Accounting 325. Cost Accounting.** Cost systems, product costing, responsibility accounting, materials, labor, and overhead cost control. Also includes job order, process, and standard costs. Prerequisite: Accounting 254. Credit: three hours. (Fall Semester)

**Accounting 403. Accounting for Business Combinations.** Study of the accounting for business combinations, including mergers, consolidations, purchase vs pooling of interests, consolidated financial statements, home and branch office accounting. Prerequisite: Accounting 313-314. Credit three hours. (Spring Semester)

**Accounting 418. Intermediate Accounting III.** In-depth study of stockholder equity including contributed capital and retained earnings; and dilutive securities and earning per share. Accounting for investments, income taxes, pensions and post-retirement benefits, leases, accounting changes and error correction, and financial statement disclosures. Prerequisite: Accounting 314. Credit: three hours. (Fall Semester)

**Accounting 420. Advanced Accounting Problems.** Intensive study of various accounting problems in theory and practice expected to appear on the Uniform Certified Public Accountant Examination. Prerequisite: Consent. Credit: three hours. (Spring Semester)

**Accounting 427 Federal Income Tax I.** Federal Income Tax Law as it relates to individuals and sole proprietors. Attention is focused on tax research methods and the preparation of formal Tax Memoranda. Prerequisite: Accounting 254. Credit: Three hours. (Fall Semester)

**Accounting 428. Federal Income Tax II.** Federal Income Tax Law as it relates to partnerships, corporations, estates and trusts. Attention is given to tax research for tax planning situations, and preparation of formal Tax Memoranda. Prerequisite: Accounting 427. Credit: Three hours. (Spring Semester)

**Accounting 431 Auditing.** \*\*/\* Auditing theory and practice. Auditing proce-

dures and standards established by the American Institute of Certified Public Accountants and the Certified Internal Auditors; duties of both junior and senior auditors. Prerequisite: Consent of Instructor. Credit: three hours. (Spring Semester)

**Accounting 498. Independent Study.** Program of study selected by student. Approved and supervised by accounting faculty member. Credit: three hours.

**Accounting 499. Internship.** Field experience under a Certified Public Accountant. Program must be approved and supervised by accounting faculty. Grading is Pass/Fail. Offered on demand. Credit: three or six hours.

\*\*Oral intensive course.

\* Writing intensive course.

## ART

**Art 101. Basic Composition and Design.** Basic elements of art and organization of elements through simple compositional problems; emphasis on color, form, value, and texture. Portfolio of two-dimensional projects using variety of media. Credit: three hours.

**Art 102. Basics of Oil and Acrylic Painting Media.** Exploration of materials, techniques, and problems of painting using either oil or acrylic media assignments range from representational to non-objective. Studio. Credit: three hours.

**Art 103. Art Appreciation.** Lecture introduction to the visual arts including elements and principles of design, traditional fine arts and craft media, and design disciplines. Includes vocabulary of art terms, styles and techniques, and historical survey of visual arts. Credit: three hours.

**Art 105. Drawing.** Emphasis on drawing media and drawing techniques with emphasis on shading. Elements of scale, size relationships, proportions, and the juxtaposition of value explored through use of curvilinear and rectilinear form. Credit: three hours.

**Art 106. Beginning Watercolor.** Uses and techniques of watercolor painting. Exercises using washes, overlays of color, special effects. Painting from location (landscapes and nature subjects) insofar as possible. Credit: three hours.

**Art 201. Three Dimensional Design I.** Experience basic sculptural processes with materials such as paper, clay, wood, and found objects. Credit: three hours.

**Art 203. Ceramics.** Basic processes in ceramics, dealing with forming, glazing, and firing clay objects with instruction in handbuilding and wheel throwing techniques. Studio. Credit: three hours.

**Art 205. Figure and Portrait Drawing.** Drawing from a figure model, focusing on both anatomy and facial structures. Work in wet and dry media in a variety of techniques such as gestural and contour drawing. Prerequisite: Art 105. Credit: three hours.

**Art 208. History of Art I.** History of Western Art from the Paleolithic era through proto-Renaissance. Emphasis on development of styles in painting, sculpture, and architecture. Credit: three hours. Writing intensive course. Prerequisites: Art 101, or Art 103 or Humanities 101 (Fall Semester).

**Art 209. History of Art II.** History of Western Art from the Renaissance through the 19th century. Emphasis on relationships of artistic innovation to changing political, social, and economic concerns. Supplementary field trips and/or museum study. Writing intensive course. Prerequisite: Art 208. Credit: three hours. (Spring)

**Art 215. Basic Sculpture.** Introduction to sculptural processes, emphasizing integration of ideas, materials, and techniques. Projects include additive and subtractive methods as well as casting and fabrication, using media of wood, clay, plaster, and welded steel. Credit: three hours.

**Art 220. Jewelry Design.** An introduction to the basic techniques and materials used in the design and construction of objects in precious and semiprecious metals. Processes which will be covered are forming, joining and casting with brass, copper or silver. Credit: one hour.

**Art 225. Introduction to Photography.** Basic photographic theory, equipment, and techniques. Emphasis on use of 35 millimeter camera as a creative and expressive tool. Studio work includes darkroom experience in developing and printing black-and-white film. Student must have 35mm manually adjustable camera. Some cameras are available to loan. Apply to instructor. Credit: three hours.

**Art 250. Electronic Field Production.** (MEAR 250) An introduction to videomaking, using field production methods and post-production editing. Creation of short videos with emphasis on communication. Credit: three hours.

**Art 301. Three Dimensional Design II.** Advanced sculptural work involving three to four major projects in clay, wood, plaster, or mixed media. Prerequisite: Art 201. Credit: three hours.

**Art 302. Advanced Painting.** Continuation of Art 102. Involves student in individual and creative approach to medium use and composition. Development of an idea of theme required. Prerequisite: Art 102. Credit: three hours.

**Art 303. Advanced Ceramics.** Exploration of form in clay, including advanced work in lidded jars, forms with handles, and large scale pottery or dinnerware. Prerequisite: Art 203. Credit: three hours.

**Art 304. Women in History of Art and Music (MUS 304).** Exploration of contributions made by women in art and music from antiquity to the 20th century. Prerequisite: ART 103 or MUS 104 or equivalent. Credit: three hours. (Fall Semester, odd years)

**Art 305. Advanced Drawing.** Extension of techniques and media introduced in Art 105. Individual expression, large scale and experiments with subjectmatter emphasized. Prerequisite: Art 105. Credit: three hours.

**Art 306. Advanced Watercolor.** Embraces individual problems using watercolor medium in expressive and experimental ways. Greater variety of subjects and techniques. Prerequisite: Art 106. Credit: three hours.

**Art 310. Printmaking.** Major relief and intaglio processes. Work includes collagraph, monoprinting, linoleum printing, etching and engraving. Prerequisite: Art 105. Credit: three hours.

**Art 312. Crafts For Secondary Education.** Students will explore two major craft areas: mosaic design using ceramic and porcelain tiles; textile design using loom weaving and/or tapestry technique; introduction to coiled basketry. Prerequisite:

Art 101 or consent of the instructor. A requirement for Art and Education majors. Credit: three hours.

**Art 315. Advanced Sculpture.** Advanced studio work consisting of projects focusing on one major sculpture area. Research paper required. Prerequisite: Art 215. Credit: three hours.

**Art 320. Metalsmithing.** Tools, materials, and processes of metalsmithing. Non-ferrous metals such as copper, bronze, brass, and aluminum used for finished projects. Studio. Credit: three hours. (on demand)

**Art 326. Intermediate Photography.** Use of medium and large format cameras. also includes experience with lighting, portraiture, landscape and architectural photography. Emphasis on negative quality and fine large scale prints. Prerequisite: Art 225. Credit: three hours.

**Art 401. Computer Graphics and Design.** Emphasis is on the computer as a tool to design, organize, and compose visual images and to blend images with text to create graphics for commercial and advertising purposes. Prerequisite: ART 101.

**Art 406. (HIST 406) History of American Art: The Aesthetic Experience .** An introduction to American Art and the history of its evolution in light of aesthetic concerns. Study of uniquely American art forms from the colonial period through the mid-20th century. Credit: three hours. Oral Intensive course. Prerequisite: ART 209 or permission of instructor (Fall Semester, even years).

**Art 408. History of Twentieth Century Art.** A history of contemporary European and American Art from the early 20th century up to and including modern movements and current styles in major art media. Some correlation of 20th century music and literature. Credit: three hours. Oral Intensive Course. Prerequisite: Art 209 and Art 406 or permission of the instructor (Fall semester, odd years.).

**Art 410. Advanced Printmaking.** Studio work concentrating on one type of printmaking. Research paper required. Prerequisite: Art 310. Credit: three hours.

**Art 425. Advanced Photography.** Advanced photographic work emphasizing creative vision and darkroom techniques. Students use previous experience to explore an area of individual interest such as Ilfochrome color printing, image manipulation, or alternative photograpic processes. Prerequisite: Art 326 or permission of the instructor. Prerequisite: Art 225 and permission of instructor. Credit: three hours.

**Art 450. Senior Project.** Work with selected theme or subject to be developed through various media, including 2-dimensional and 3-dimensional approaches. Culminates in comprehensive exhibition. For art and art education majors only. Capstone course. Credit:three hours.

**Art 451. Art Gallery Procedures.** Presentation of artworks for public viewing will be emphasized as a means of involving students in the function and preparations of a public display facility. Art majors will participate in the events surrounding the final stages of creativity- -public viewing of fine art. Credit: one hour.

**Art 470. Independent Study.** Specialized work or internships selected by student. Approved and supervisedby art faculty member. Must follow guidelines for independent study on p. 58. Credit: three hours.

## BIOLOGY

**Biology 115. Environmental Biology.** Basic concepts of ecosystem structure and function, and varieties of interactions in the environment. Problems of energy and energy flow, resources, disruptive influences, and man's response and responsibility. Three hours lecture, three hours lab. Credit: four hours. (Fall and Spring)

**Biology 120. Human Biology.** Biology and man's life cycle; growth and development; physiological control; reproduction and genetics. Three hours lecture, three hours lab. Credit: four hours. (Fall and Spring)

**Biology 150. Principles of Biology.** Basic concepts of biological science emphasizing cell structure, function, and chemistry; genetics; energetics; and immunology. Prerequisite to all courses Biology 200 and above. Required of all Biology and Sports Medicine majors. Three hours lecture, three hours lab. Credit: four hours. (Fall and Spring)

**Biology 200. Zoology.** Survey of the biology of the major groups of animals. Phylogenetic relationship is basis for examination of major patterns of structure, physiology, behavior, and natural history. Laboratory includes field work. Prerequisite: Biology 150. Three hours lecture, three hours lab.

**Biology 205. Plant Biology.** Survey and natural history of the plant kingdom; plant ecology and adaptation; growth and development and hormonal regulation; plant structure and metabolism; medical and economic significance. Prerequisite: Biology 150. Three hours lecture, three hours lab. Credit: four hours. (Fall Semester)

**Biology 300. Ornithology.** Integrated lecture/laboratory/field study examining the anatomy, physiology, identification, and natural history of birds. Students are expected to supply their own binoculars. Prerequisite: any Biology Lab course and permission of instructor. Three and one-half hours per week of lecture/laboratory/field study. Credit: 3 hours. (Spring, Odd years)

**Biology 305. Genetics.** Mendelian and molecular genetics with a strong emphasis on replication, transcription, and translation. Regulation of gene expression in prokaryotes and eukaryotes; mutation and DNA repair, oncogenes and tumor suppressor genes. Prerequisite: consent of instructor. Three hours lecture, three hours lab. Credit: four hours. (Spring Semester)

**Biology 311. Human Anatomy and Physiology I.** Anatomy and physiology of human integumentary, nervous, skeletal, and muscular systems. Laboratory includes organ and whole animal dissections and measurements of physiological processes. Prerequisite: Biology 150. Three hours lecture, three hours lab. Credit: four hours. (Fall Semester).

**Biology 312. Human Anatomy and Physiology II.** Anatomy and physiology of human endocrine, digestive, respiratory, circulatory, immune, urinary, and reproductive systems. Laboratory includes organ and whole animal dissections and measurements of physiological processes. Prerequisite: Biology 150. Three hours lecture, three hours lab. Credit: four hours. (Spring Semester).

**Biology 320. Microbiology.** Biology of microorganisms with emphasis on bacterial structure, physiology, genetics, medical and ecological importance, basic virology and immunology. Laboratory includes: bacterial identification, based on mor-

biology, staining, and metabolic characteristics; microscopy, culturing and aseptic technique; viral culture and assay; microbiology of food and water. Prerequisite: Junior classification (assumes completion of zoology, plant biology, general and organic chemistry). Three hours lecture, three hours labs Credit: four hours. (Spring Semester)

**Biology 401. Ecology.** Patterns of distribution and abundance of organisms, stressing quantitative evaluation of population dynamics, community structure, and ecosystem relations. Energetics and reproductive success are unifying principles. Writing intensive course. Prerequisite: Consent. Three hours lecture, three hours lab. Credit: four hours. (Fall Semester)

**Biology 405. Biology Seminar.** Selected topics in biology involving student presentations and discussions. Prerequisite: consent of instructor. Two hours lecture. Credit: two hours. Capstone course in the major. (Spring Semester)

**Biology 415. Histology.** Microscopic anatomy and identification of cells, tissues, and organs; includes basic histotechnique and slide preparation. Prerequisite: Biology 311, 312 or consent. Three hours lecture, three hours lab. Credit: four hours. (Spring, odd years)

**Biology 425. Biochemistry.** (CHEM 425) Structure and function of proteins, carbohydrates and lipids. Pathways of intermediary metabolism emphasizing cellular location, thermodynamics and regulation of rate-limiting enzymes. Signal transduction across membranes, and integration and hormonal regulation of metabolism. Prerequisites: "C" or better in Chemistry 202. Three hours lecture, three hours lab. Credit: four hours. (Fall Semester)

**Biology 430. Comparative Organ Physiology.** Physiological mechanisms of animals with emphasis on organ level of organization. Topics include circulation and gas exchange, excretion and osmoregulation, neural function, energetics, and thermoregulation. Laboratory follows experimental approach using live animal preparations. Prerequisites: Biology 150; Biology 200 or permission of instructor. Three hours lecture, three hours lab. Credit: four hours. (Fall, odd years)

**Biology 442-444. Independent Study.** Individual study of a topic of interest and concern to the student. May involve directed reading and/or experimental work in consultation with and supervision by a biology faculty member. May be repeated for credit (with approval of biology faculty). Prerequisite: consent. Credit: two-four hours. (Fall, Spring, by demand)

*Note:* Biology 150 is a prerequisite to all biology courses 200 and above.

## BUSINESS

**Business 101. Introduction to Business.** Role of business in society; careers in business; and introductory material concerning each of the functional areas of business studies. Credit: three hours.

**Business 212. Principles of Management.** Principles underlying the organization, management, and operation of business activities. Emphasis on the creation and maintenance of the administrative organization, the definition of goals, and the diagnosis and solution of problems which may result from changing conditions. Prerequisite: Sophomore standing or consent of instructor. Credit: three hours.

**Business 221. Principles of Marketing.** Marketing organization and methods with emphasis upon functions and channels as they relate to the manufacturer, wholesaler, and consumer. Credit: three hours.

**Business 303. Business Law I.** General legal principles and processes followed in business. Credit: three hours. (Recommended Fall Semester)

**Business 304. Business Law II.** Legal environment of business, with emphasis on an analytical and managerial view of the law as it relates to business operations and organization. Prerequisite: Business 303. Credit: three hours. (Recommended Spring Semester)

**Business 305. Legal Environment of Business.** General principles of law applicable to the business setting and how they are integrated into the business environment by way of problem solving and decision making. Credit may not be applied toward graduation for 303, 304 and 305. Credit: three hours. (Spring Semester. Course available to juniors and seniors only who are business majors.)

**Business 306. Organizational Communication.** Practice in frequently prepared written communications\nd\memoranda, letters, instructions, procedures, proposals and guidelines. Integration with oral dimensions; interpersonal and technological considerations. Credit: three hours. (Spring Semester) \*Writing Intensive Course.

**Business 308. Business Statistics (Econ 308).** Use of statistics for decision making; statistical description; frequency distributions; significance testing, sampling and other statistical techniques as applied to business problems. Prerequisite: Math 108. Credit: three hours.

**Business 309. Business Statistics II (ECON 309).** Applied course in statistics, presented more theoretically. Solving small problems by hand and larger problems solved using computer statistics software. Prerequisite: BUS 308. Credit: three hours

**Business 313. Human Resource Management.** Procurement, development, utilization, and maintenance of an effective work force. Prerequisite: Business 212. Credit: three hours. (Fall Semester).

**Business 318. Financial Management.** Introduction to the finance function of organizations and the long run decisions faced by firms. The general institutional environment, facing firms and other entities will be covered. Valuation principles and present value techniques are developed and applied to securities prices and firms investment decision. Prerequisites: An understanding of basic principles of accounting, economics, and elementary algebra are needed to succeed in this course. In general, students should have completed ACCT 253 and ACCT 254. A University algebra course such as MATH 108 is needed prior to taking this course. Principles of microeconomics is also required. Prerequisites ACCT 253, 254, ECON 111, 112. Credit: three hours.

**Business 322. Advertising.** Roles of advertising and salesmanship in a Western economy. Emphasis on product and market research, media selection, and evaluation of effectiveness. Credit: three hours.

**Business 323. Production and Operations Management.** Plant location, layout, and efficient operation. Includes practical applications of quantitative techniques such as linear programming, waiting-line problems, inventory control, and network analysis. Prerequisite: Business 212. Credit: three hours.

**Business 324. Business Research and Report Writing.** Research and uses of business information in relationship to information, statistics, and practical applications. Prerequisite: Business 308. Credit: three hours.

**Business 331. Music Business Seminar I.** (MUS 331) Career information, survey of music businesses, synthesis of music and business courses. Readings in professional journals. Designed for the junior music business student. One class hour per week. Credit: one hour. (Fall Semester.)

**Business 332. Music Business Seminar II.** (MUS 332) Continuation of Music Business Seminar I. Reading and discussion of music business topics. Research on contemporary issues. Designed for the junior music business student. One class hour per week. Credit: one hour. (Spring Semester)

**Business 401. Business-to-Business Marketing.** The study and application of marketing principles to industrial and organizational markets. Topics include business market segmentation, organizational buyer behavior, vendor analysis, buyer-seller relations, negotiation and ethics. Credit: three hours. (Alternate years)

**Business 402. Consumer Behavior.** Examination of the cultural, social, and individual factors affecting consumer decision processes and usage. Additional focus is on how these factors are incorporated in marketing strategies. Prerequisite: BUS 4221. Credit: three hours. (Alternate years, Spring Semester)

**Business 414. Investment Management.** Individual securities and potential portfolio of investment. Emphasis on risk-return tradeoff of securities and the capital asset pricing model. Prerequisite: Business 318. Credit: three hours. (Fall Semester)

**Business 415. Financial Institutions.** A study of key financial intermediaries and their role in capital markets. Interest rates in capital and credit markets will be studied. Legal, economic, and structural factors affecting the environment will be considered for the banking, insurance, pension, and mutual fund industries. Money and credit expansion will be introduced. Prerequisite: BUS 318 or consent. Credit: three hours

**Business 416. Organization Theory and Behavior** (SOC 416). Impact of different types of markets, technologies, and other factors on the design of organizational structures and the behavior of organization members. Leadership in the goal-directed organization including conflict management, motivation, communications, and decision-making. Capstone course for the major. Prerequisite: Business 212. Credit: three hours. (Recommended Fall Semester)

**Business 417. Business Strategy.** Capstone course for knowledge of the various functional areas of business from a top management viewpoint of company operations. Focus on top management's role in strategy formulation and long-range planning in a dynamic environment. Prerequisites: BUS 212, 221, ACCT 254, ECON 112, and senior classification. Credit: three hours. Capstone course for Accounting, Economics, Gen. Business, and Management majors. \*\*Oral Intensive course.

**Business 418. Corporate Finance.** Theories of value are considered in the face of uncertainty. Firms' financing and dividend decisions are studied. Recent theoretical developments are reviewed as applicable. Prerequisite: BUS 318. Credit: three hours.

**Business 451. Music Merchandising.** (MUS 451) Synthesis of individual music and business courses. Copyright laws, publishing of music; performing rights; manu-

facturing, distribution, and sales of instruments; and other pertinent topics. Three class hours per week. Prerequisite: consent. Credit: three hours. (Every other Fall Semester)

**Business 460. Music-Business Internship/Seminar (MUS 460).** Directed field experience in areas of business related to music. Intended for the senior music-business student. Must follow guidelines for Practicum, Field Experience, and Internship on p. 57. Capstone course for the major. Prerequisite: Consent of the instructor. Credit: three hours. Students under supervision of Wingate University faculty.

\* Writing intensive course.

\*\* Oral intensive course.

## CHEMISTRY

**Chemistry 100. Fundamentals of Chemistry.** Major concepts of general chemistry. Atomic and molecular structure, bonding, types of reactions, acid-base chemistry, solution chemistry, equilibrium, oxidation-reduction and an introduction to organic chemistry. Three hours lecture and three hours lab per week. Credit: four hours.

**Chemistry 101. Principles of Chemistry I.** The first half of an integrated two-semester sequence. Coverage includes the nature of matter, chemical equations and stoichiometry, gases, and chemical equilibrium. Three hours lecture and three hours lab per week. Credit: four hours. (Fall Semester)

**Chemistry 102. Principles of Chemistry II.** Second of a two-part integrated sequence. Thermochemistry and equilibria, electrochemistry and oxidation-reduction, chemical kinetics, atomic structure (quantum mechanics), chemical bonding, and spectroscopy. Three lecture and three hours lab per week. Credit: four hours. (Spring Sem.)

**Chemistry 201. Organic Chemistry I.** Chemical bonding; introduction to stereochemistry and spectroscopy; survey of common functional groups. Prerequisite: Chemistry 102. Three hours lecture, three hours lab. Credit: four hours. (Fall Semester)

**Chemistry 202. Organic Chemistry II.** Continuation of functional group survey with emphasis on selected topics of biological importance. Prerequisite: Chemistry 201. Three hours lecture, three hours lab. Credit: four hours. (Spring Semester)

**Chemistry 311. Physical Chemistry I.** A detailed study of gas laws, general thermodynamics, chemical thermodynamics, and equilibrium. Three hours lecture, three hours lab. Prerequisite: Chemistry 202, Math 220, Physics 202 or consent. Capstone course in the major. Credit: four hours.

**Chemistry 312. Physical Chemistry II.** A detailed study of kinetics, quantum mechanics, spectroscopy, and solid-state properties. Three hours lecture, three hours lab. Prerequisite: Chemistry 311. Capstone course in the major. Credit: four hours.

**Chemistry 331. Analytical Chemistry I.** A study of the methods, techniques, and problems in chemical analysis. Includes error analysis, equilibrium calculations and problem analysis focusing on acid-base, complexation, precipitation, and oxidation-reduction reactions. Three hours lecture, three hours lab. Prerequisite: Chemistry 102. Credit: four hours. Fall Semester.

**Chemistry 332. Analytical Chemistry II.** Basic instrumental analysis featuring spectroscopy, chromatography and electrochemical analysis. Three hours lecture, three hours lab. Prerequisite: Chemistry 331. Credit: four hours.

**Chemistry 391, 392. Junior Research.** An introduction of chemical research techniques and problems. Involves the active investigation of a chemical research problem with the direct supervision of the chemistry faculty. Six hours of lab, library work, etc., per week. Prerequisite: Consent. Credit: two hours.

**Chemistry 411. Inorganic Chemistry.** A unified study of the non-carbon elements with an emphasis on properties, periodic trends, and reactions. Three hours lecture. Prerequisite: Chemistry 202. Credit: three hours.

**Chemistry 420. Advanced Organic Chemistry.** Application and extension of topics of Chemistry 202. Stereochemistry, synthesis and hetero-organic compounds. Three hours lecture, three hours lab. Prerequisite: Chemistry 202. Credit: four hours.

**Chemistry 425. Biochemistry.** (BIO 425) Structure and function of proteins, carbohydrates and lipids. Pathways of intermediary metabolism emphasizing cellular location, thermodynamics and regulation of rate-limiting enzymes. Signal transduction across membranes, and integration and hormonal regulation of metabolism. Prerequisites: Chemistry 201-202. Three hours lecture, three hours lab. Credit: four hours. (Fall Semester)

**Chemistry 450. Hazardous Materials and Chemical Safety.** Properties and reactions of hazardous materials. Fire prevention and control, chemical storage and labeling, safety procedures, and transportation regulations. Three hours lecture/demonstration. Prerequisite: Chemistry 202. Credit: three hours.

**Chemistry 470. Current Topics in Chemistry.** Investigation of chemical topics of current interest. The choice of topics will be based on the students' backgrounds and interests, the topics of current interest in the chemical literature, and those topics that would supplement the students' other chemistry courses. Prerequisite: CHEM 202. Credit: three hours.

**Chemistry 491, 492. Senior Research.** Chemical research techniques and problems. Active investigation of a chemical research problem. Six-eight hours lab. Prerequisite: Consent. Credit: three hours.

## COMMUNICATION

Other courses in Communication are described in Journalism, Media Arts and Speech Communication listings.

**Communication 325. Public Relations.** History, functions, research methods, tools, and applications of public relations. Prerequisite: either Business 322 and Journalism 301, both are recommended. Credit: three hours. (Spring Semester)

**Communication 341. (Music 341) Music Communication Seminar I.** Career information, survey of media producers, synthesis of music and communications courses. Readings in professional journals. Designed for the junior music communication student. One class hour per week. Credit: one hour (Fall Semester).

**Communication 342. (Music 342) Music and Communication Seminar II.** Continuation of Music Communication Seminar I. Reading and discussion of music communications sources. Research on contemporary issues. Designed for the junior music communication student. One class hour per week. Credit: one hour (Spring Semester).

**Communication 420. Internship in Communication Studies.** Directed field experience in selected areas of communication. Requires consent of the chair of the Communication Studies. Must follow guidelines for Practicums, Field Experiences, and Internships on p. 59. Students are under the supervision of Wingate University faculty. Variable credit: three to twelve hours.

**Communication 441. Music in Communication.** (Music 441) Study of the functions of music in mass communications. Application through scoring commercials and underscoring drama. Three class hours per week. Prerequisites: Music 301 and consent. Credit: three hours (Alternate Spring Semesters)

**Communications 442. Music Communication Internship.** (Music 442) Directed field experience in areas of communication which include music. Intended for the senior music communication student. Must follow guidelines for Practicums, Field Experiences, and Internships listed on p. 59. Prerequisite: consent. Credit: three hours.

**Communication 449. Independent Study.** Pursuit of a special project in communications. Requires consent of Instructor and Department Head. May be repeated for a total of six credit hours. Must follow guidelines for Independent Study on p. 59. Credit: three hours.

## COMPUTER INFORMATION SYSTEMS

**Computer Information Systems 110. Introduction to Management Information Systems.** Fundamentals of management information systems and applications of computers in business. Overview of computer systems and resources with an emphasis on understanding the relationship between the business decisions made by an organization and the hardware and software which support those decisions. Some practical methods/applications for using the computer to solve business problems will be included. Credit: three hours.

**Computer Information Systems 112. Introduction to Information Systems Software.** Fundamentals of computer software packages involving operating systems (DOS), word processing (WordPerfect) and spreadsheets (Louts 1-2-3). This course is a self-directed study which utilizes interactive computer-aided instruction tutorials in the computer lab; requires the preparation of project assignments to demonstrate mastery of the software packages. Grade is Pass/Fail. Credit: one hour.

**Computer Information Systems 113. Introduction to Desktop Publishing** Fundamentals of designing, formatting, typing, and printing the types of publications used in typical business applications using WordPerfect for Windows. Typical documents discussed and assigned to the students will include company newsletters, corporate reports, advertising brochures, press releases, procedure manuals, etc. Prerequisite: CIS 112 or demonstratable skills in WordPerfect for Windows. Credit: two hours.

**Computer Information Systems 115. Introduction to Graphical Programming.** Fundamentals of computer systems, an introduction to problem-solving methods and a focus on computer programming using graphical environments. Credit: three hours.

**Computer Information Systems 120. Pascal.** Pascal programming emphasizing procedure oriented techniques. Prerequisite: Some knowledge of computers, MATH 112, 120; or consent. Credit: three hours. (Spring Semester)

**Computer Information Systems 201. FORTRAN Programming.** Digital computing techniques, common numeric and non-numeric algorithms through study of FORTRAN IV. Flowcharting, DO-loops, sorting, report formatting, one and two dimensional arrays, functions and subroutines. Prerequisites: Some knowledge of computers, Math 112, 120; or consent. Credit: three hours. Offered on demand.

**Computer Information Systems 205. COBOL Programming.** Use of computers, data systems, file structures and file processing, hardware-software systems, and COBOL programming. Prerequisite: Some knowledge of computers. Credit: three hours. (Fall Semester)

**Computer Information Systems 301. Information Systems Analysis and Design.** Basic system analysis tools; defining logical system requirements; steps in analysis; preliminary investigation, general feasibility study, general system proposal; detailed analysis; specification of input/output methods and formats; physical design (of files, programs, and procedures); system life cycle management. Prerequisite: Ability to program in a high level computer language. Credit: three hours. (Fall Semester)

**Computer Information Systems 302. Data Base Management Systems.** Design and management of data base systems. Management of data resources to support information systems in organizations. Prerequisite: CIS 110 and CIS 112; or ability to program in a high level computer language. Credit: three hours. (Spring Semester)

**Computer Information Systems 305. File Processing and Organization.** Continuation of CIS 205. Sequential file handling, building and accessing indexed files, sequential access methods, random access methods, advanced program design. Prerequisite: CIS 205. Credit: three hours. (Spring Semester)

**Computer Information Systems 320. Data Structures.** Linked lists, arrays, trees, queues and their application to files. Programming in Pascal. Prerequisite: CIS 120. Credit: three hours. (Spring Semester)

**\*\*Computer Information Systems 330. Management Information Systems.** Theory and practice of management information systems focusing primarily on design and utilization of computer-based information systems. Systems analysis and design from management perspective. Prerequisite: CIS 205 or Business 212. Credit: three hours. (Fall Semester) Oral intensive course.

**\*Computer Information Systems 401. Systems Analysis and Design Applications.** Special project assignments requiring application of principles of systems analysis and design. Prerequisite: CIS 301. Credit: three hours. (Spring Semester)  
\*Writing intensive course.

**\*\*Computer Information Systems 405. Advanced Programming.** Major programming projects in a programming language such as Pascal, COBOL, FORTRAN, C, or other compiler language available to the student. Required for the CIS emphasis. Prerequisite: 15 hours in CIS at or above the 200 level or consent of the instructor. Credit: three hours. (\* capstone course) Oral intensive course.

**Computer Information Systems 416. Computer Networks.** Basic concept of data communication, networking and connectivity; knowledge of the structure and operation of a computer network operating system; strategies and procedures required to manage a network of computer users. Pre-requisite CIS 112 and CIS 330 or consent of instructor. Credit: three hours. Offered on demand.

**Computer Information Systems 420. Assembly Language.** IBM PC assembly language instruction set, input/output procedures, and subroutines. Prerequisites: two high level languages and junior classification. CIS 405 as capstone course. Credit: three hours. (Fall Semester)

**Computer Information Systems 430. Computer Organization/Architecture.** An introduction to the organization of the basic elements of a computer system. The organization of the processor, memory, control unit, and I/O units will be studied. Prerequisite: CIS 420. Credit: 3 hours. (Spring Semester, Odd years)

**Computer Information Systems 498. Independent Study.** Selected topic under faculty supervision. Requires consent of the chairperson of the division of Business and Economics. Credit: three hours.

## ECONOMICS

countries with emphasis on structure and meaning combined with creative writing techniques. Prerequisite: English 101-102. Credit: three hours. (Spring Semester)

**English 340. Literature and Film.** Selected literary genres and their film adaptations with emphasis on verbal and visual language, aesthetic effectiveness, and critical judgment. Prerequisite: English 101-102. Credit: three hours. (Fall Semester)

**English 342. Shakespeare in Film and Fiction.** A study of reinterpretations of Shakespearean plays in film, dramas, novels, and other genres of contemporary culture. Exploration of how changing the medium changes the message. Emphasis on issues such as power, justice, love, hatred, and loyalty. Prerequisite: English 101-102. Credit: three hours. (Fall semester, even years)

**English 350. Studies in Drama.** Drama from various periods with emphasis on forms, ideas, and techniques. Prerequisite: English 101-102. Credit: three hours. (Fall Semester, odd years)

**English 360. Advanced Composition.** Advanced instruction in the various types of composition. Prerequisite: English 101-102. Credit: three hours. Writing intensive course.

**English 380. Studies in Mythology.** An analytical and comparative study of mythic motifs and symbols in oral and written literature of ancient cultures. Exploration of religious, social, and psychological implications of myths in contemporary society. Prerequisite: English 101-102. Credit: three hours. (Fall Semester, even years)

**English 401. Twentieth Century British Literature.** Poetry, drama, fiction, and the essay from 1900 to the present. Prerequisite: English 101-102. Credit: three hours. (Fall Semester, even years)

**English 403. Contemporary American Literature.** Genres of recent American literature, focusing on the issues and themes confronting Americans; contributions by modern ethnic writers. Prerequisite: English 101-102. Credit: three hours. (Spring Semester, odd years)

**English 404. Renaissance Studies.** Selections from all major genres of the English Renaissance (1500-1650), including writers such as Spenser, Sidney, Shakespeare, Donne, and Milton. Prerequisite: English 101-102, 201. Credit: three hours. (Spring Semester, even years)

**English 405. Romantic and Victorian Literature.** Selected writing from the Romantic and Victorian Periods. Prerequisite: English 101-102. Credit: three hours. (Spring Semester, odd years)

**English 411. Southern Literature.** Significant Southern writers from Colonial to Modern with emphasis on 20th Century works. Prerequisite: English 101-102. Credit: three hours. (Fall Semester)

**English 420. Shakespeare.** Representative comedies, histories, and tragedies showing the development of his thought and style. Shakespeare's world and theatre examined. Prerequisite: English 101-102. Credit: three hours (Fall Semester, odd years).

**English 430. Literary Theory.** A survey of theoretical reflection upon literature and its interpretation from Plato to the present. Prerequisites: English 101-102 and six hours of literature or consent. Capstone course in the major. Credit: three hours. (Fall Semester, even years)

**English 449. Independent Study.** Selected topic under faculty supervision. Requires consent of the chairperson of the department and approval of the Dean of the College of Arts and Sciences. Credit: three hours.

## FOREIGN LANGUAGE EDUCATION

**Foreign Language 385. Foreign Language Methods for Elementary Education (K-5).** [cross listed as ED 385] Methods, materials, techniques, and content for teaching foreign language in the elementary grades. Sources and uses for supplementary materials, activities, and devices. Simulated or real field experience. Prerequisite: Education 301, 330, and 6 semester hours of coursework numbered 300 or above in the foreign language. Credit: two hours. (Fall, odd years)

**Foreign Language 386. Secondary Foreign Language Methods (9-12).** [cross listed as ED 386] Methods, materials, techniques, and content for teaching foreign language in grades 6-12. Sources and uses for supplementary materials, activities, and devices. Simulated or real field experience. Prerequisite: Education 301, 330, and 6 semester hours of coursework numbered 300 or above in the foreign language. Credit: two hours (Fall, odd years)

**Foreign Language 387. Foreign Language Methods for Middle School Education (6-8).** Instructional design, current methods, evaluative instruments, materials, techniques, and content for teaching foreign languages in the middle school with emphasis on practical applications. Credit: two hours. (Fall, odd years)

## FRENCH

**French 101. Elementary French I.** Basic French with emphasis on communication skills. Introduction to aural comprehension, pronunciation, structure of the language, and essential vocabulary for practical communication. No previous preparation in French required. Three class hours and one laboratory hour per week. Credit: three hours. (Fall)

**French 102. Elementary French II.** Basic French with emphasis on communication skills. Aural/reading comprehension. Pronunciation, grammar, and structure. Progressive vocabulary for written and oral communication. Three class hours and one laboratory hour per week. Prerequisite: French 101. Credit: three hours. (Spring)

**French 201. Intermediate French I.** Reinforcement and expansion of skill developed in elementary courses (French 101-102) using grammar review, composition, conversation, and selected readings. Three class hours and one laboratory hour per week. Prerequisite: French 102. Credit: three hours. (Fall)

**French 202. Intermediate French II.** Progressive practice in oral and written communication with analysis of selected readings. Three class hours and one laboratory hour per week. Prerequisite: French 201. Credit: three hours. (Spring)

**French 301. French Literature.** Reading and literary analysis of selections from French literature from the Middle Ages through the 18th Century. The focus is on

historical periods, literary styles, and authors. Prerequisite: French 202. Credit: three hours. (Spring Semester of odd years)

**French 302. French Literature II.** Reading and literary analysis of selections from French literature of the 19th and 20th centuries. The focus is on historical periods, literary styles, and authors. Prerequisite: French 202. Credit: three hours. (Spring Semester of even years)

**French 303. Culture and Civilization of Francophone Nations.** Readings in the culture of Francophone countries. Intensive practice in oral and written communication in French. Prerequisite: French 202. Credit: three hours. World Awareness course. (Fall Semester)

**French 410. Independent Study in French.** In depth study of special interest area. Prerequisite: French 301;302;303. Credit: three hours. By permission only.

## GEOGRAPHY

**Geography 201. Introduction to Cultural/Human Geography.** An introductory course including physical geography, environmental studies, regional geography, and cultural geography. Credit: three hours. World Awareness course.

## GERMAN

**German 101. Elementary German I.** Basic German with emphasis on communication skills. Introduction to aural comprehension, pronunciation, structure of the language, and essential vocabulary for practical communication. No previous preparation in German required. Three class hours and one laboratory hour per week. Credit: three hours. (Fall)

**German 102. Elementary German II.** Basic German with emphasis on communication skills. Aural/reading comprehension. Pronunciation, grammar, and structure. Progressive vocabulary for written and oral communication. Three class hours and one laboratory hour per week. Prerequisite: German 101. Credit: three hours. (Spring)

**German 201. Intermediate German I.** Intensive aural/reading comprehension. Structure of contemporary German with emphasis on grammatical and syntactical accuracy. Vocabulary for written communication. Three class hours and one laboratory hour per week. Prerequisite: German 102. Credit: three hours. (Fall)

**German 202. Intermediate German II.** Progressively intensive aural and reading comprehension. Emphasis on grammatical and syntactical accuracy and communication skills in conversation and writing. Extensive reading. Three class hours and one laboratory hour per week. Prerequisite: German 201. Credit: three hours. (Spring)

## GREEK

**Greek 101. Elementary New Testament Greek I.** Essentials of Greek with emphasis on grammatical forms, simple syntax, pronunciation, and vocabulary. Credit: three hours. (Fall Semester, even-numbered years)

**Greek 102. Elementary New Testament Greek II.** Continuation of Greek 101. Selections from Greek literature and Greek New Testament. Prerequisite: Greek 101. Credit: three hours. (Spring Semester, odd-numbered years)

**Greek 201. Intermediate New Testament Greek I.** Review of grammar and syntax; readings from the Greek New Testament. Prerequisite: Greek 101-102. Credit: three hours. (Fall Semester, odd-numbered years)

**Greek 202. Intermediate New Testament Greek II.** Readings from the Gospels, Acts, and the writings of Paul from the Greek New Testament. Prerequisite: Greek 201. Credit: three hours. (Spring Semester even-numbered years)

## HEALTH

**Health 101. Personal and Community Health.** Principles and practices of personal and community health. Credit: three hours.

## HISTORY

**History 101. World Civilization I.** Major civilizations of the world; emphasis on movements of history affecting the development of western culture through the Reformation. Credit: three hours.

**History 102. World Civilization II.** Major civilizations of the world; emphasis on movements of history affecting development of western culture from the Reformation through the twentieth century. Credit: three hours.

**History 101. Honors World Civilization I.** Nature of history, meaning in history, interpretations of significant periods of history, and development of relevant themes to the present. Conventional chronological periods studied are: Ancient, Medieval, Modern and Contemporary. Credit: three hours.

**History 102. Honors World Civilization II.** Continuation of 101 Honors emphasizing twentieth century through selected sources. Relation of Western and Oriental civilizations is stressed. Credit: three hours.

**History 201. United States History I.** Major trends in American history, political, social, and economic from Exploration through the Civil War. Fundamental principles of the American way of life and appreciation of heritage. Credit: three hours (Fall Semester)

**History 202. United States History II.** Major trends in American history, political, social, and economic from the Civil War through the twentieth century. Fundamental principles of the American way of life and appreciation of heritage. Credit: three hours. (Spring Semester)

**History 301. History and Criticism of American Public Address.** (SPCH 301) Rhetorical study of selected speeches, speakers, and movements in American history. Credit: three hours. (Alternate Spring Semesters)

**History 302. History of the Middle East and Africa.** Analysis of the maturation of the Middle East and Africa in the modern world. Early backgrounds, development by Colonial European powers, contemporary emergence of nation states, and the economic and cultural impact of these countries within a global perspective. Credit: three hours. (Spring Semester) World Awareness course.

**History 303. History of Canada.** Canadian history from settlement to the present. Emphasis on Canada in the Twentieth Century. Credit: one hour. (Spring Semester) World Awareness course.

**History 305. Music History I.** (MUS 305) Composers and their compositions from antiquity through Baroque. Three class hours per week. Prerequisite: Music 201. Credit: three hours. (Fall Semester)

**History 306. Music History II.** (MUS 306) Composers and their compositions from the pre-classical period through the present. Three class hours per week. Prerequisite: Music 202. Credit: three hours. (Spring Semester)

**History 308. Contemporary International Issues.** Readings, lectures, and discussions of international issues: East-West tensions, China after normalization, the post-colonial world and North-South dialogues, and Europe in a non-European world. Seminar approach. Credit: three hours. (Spring Semester)

**History 310. American Religious History.** (REL 310) Examination of diverse religious development in America, emphasizing character and contribution of different groups to American religious pluralism. Credit: three hours.

**History 311. History of North Carolina.** History of North Carolina within the context of growth of United States. Colonial role, development of a sectional outlook, and emergence of national perspective. Credit: three hours. (Fall Semester)

**History 312. Women in American History.** History of American Women from the colonial era to the present. Topics include changes in the household and women's work, rise of female public activism and feminism, and debates over "ideal" womanhood and female sexuality. Credit: three hours. (Spring Semester)

**History 314. History of Latin America.** Latin American history from colonial times to the present. Emphasis on Latin American in the Twentieth Century. Credit: two hours. (Spring Semester) World Awareness course.

**History 315. History of Asia.** Ancient Asian Kingdoms to the global setting of present Asian nation-states, covering emerging configurations of political and economic power. Credit: three hours. (Fall Semester) World Awareness course.

**History 341. History of the Early Church.** (REL 341) Christian movement and thought from the beginnings recorded in the Acts of the Apostles through the church's permeation of Western society in the Middle Ages. Credit: three hours.

**History 342. History of the Modern Church.** (REL 342) Christian movement and thought from the Reformation to present with emphasis on Protestant heritage and particular contributions of the free church tradition. Credit: three hours.

**History 350. Socio-Historical Survey of African-American Civilization.** A study of the making of modern black America, emphasizing the African roots, the Ameri-

can system of slavery, civil war and reconstruction, growth of the Jim Crow System and their impact on black family and social structures. A survey of black response in artistic, cultural and eco-political phases. Social and constitutional impact on post WWII Civil Rights Movement.

**History 401. American Historiography I.** Nature of interpretive history emphasizing trends in American historical writing from colonial period through the Civil War; consideration given to conflicting schools of historical writing as expressions of differing philosophies of history. Capstone course in American Studies major. Credit: three hours. (Fall Semester) Writing intensive course.

**History 402. American Historiography II.** Continuation of History 401 from end of the Civil War to contemporary American history. Capstone course in American Studies major. Credit: three hours. (Spring Semester) Writing intensive course.

**History 403. Modern European History I.** Major European powers from conclusion of the Hundred Years War to the beginning of the French Revolution, emphasizing significant political, cultural and religious developments. Credit: three hours. (Fall Semester) World Awareness course. Writing intensive course.

**History 404. Modern European History II.** Major European powers in their global setting from the French Revolution to the present, emphasizing political, cultural and religious developments. Credit: three hours. (Spring Semester) World Awareness course. Writing intensive course.

**History 406. Aesthetic Experience in America.** (ART 406) An introduction to American Art and the history of its evolution in light of aesthetic concerns. Brief examination of Native American artworks and the colonial period; concentration on mid-19th Century through 20th Century. Credit: three hours. (Spring Semester)

**History 408. History of Baptists in America.** (REL 408) An examination of the Continental and English foundations of Baptists, the development of major American branches of the denomination, and an analysis of the theological and institutional emphases of Baptists in the South. Credit: three hours. (Spring Semester)

**History 410 Contemporary United States History.** A history of the United States since 1945. A study of the emergence of the United States as a super power following World War II. Particular emphasis will be placed on such international topics as the Cold War, Korea, Vietnam, the Middle East conflict, and domestic changes brought about by the "New Frontier," the "Great Society," civil rights, womens' rights, and "Reagonomics." Credit: three hours. (Fall Semester)

**History 411. Revolutions in Post-Independence Latin America.** A seminar on the revolutions in Latin America. Particular focus on the Mexican, Cuban, and Nicaraguan Revolutions and the perspective of the participants. Writing intensive course. (Fall Semester) Credit: three hours.

**History 412. German History, 1789 - Present.** A lecture and discussion course surveying German political, and social history since the French Revolution. Writing intensive course. (Alternate Spring Semesters) Credit: three hours.

**History 414. The United States and Latin America.** Analyze the history of inter-American relations from the perspective of both the United States and the Latin American societies. Seeks to understand U.S. political, economic, social, and cultural influence in Latin America as well as Latin American responses to that influence. Writing

intensive course. Credit: three hours.

**History 460. Independent Study in History.** By permission only. Credit: three hours.

### HONORS

**Honors 200. Ideas in Literature.** A seminar in how selected literary works examine social issues from a cross-cultural perspective. Meets GER literature requirement. Prerequisite: admission to the Honors program and sophomore standing or for students with AP credit in English 101 and 102. Credit: 3 hours.

**Honors 205: Ideas in Fine Arts.** Examines interrelationships among art, music, and philosophical ideals from pre-Christian times to the present. Meets g.e.r. Fine Arts requirement. Prerequisite: Admission to the Honors program and sophomore standing. Credit: three hours.

**Honors 300. The Making of the Modern Mind.** An interdisciplinary seminar in the ideas that make the present age distinctive. Prerequisite: admission to the Honors program and junior standing.

**Honors 451. University Honors Research Project.** To complete graduation with University Honors requirement. Credit: 0 hours.

## HUMAN SERVICES

**Human Services 321. Introduction to Human Services.** Exploration of human service delivery systems. Survey of the field and clarification of vocational choice. Credit: three hours. (Fall Semester) Prerequisite: Junior standing or consent of instructor.

**Human Services 409. Independent Study.** Under the supervision of a faculty member, students develop a topic relevant to their program and vocational goals. Topics focus explicitly and in depth on methods of human services. Restricted to seniors who have a 3.0 cumulative grade point average. Credit: three hours.

**Human Services 411. Practicum.** Required of Human Services majors. Field experience under supervision of experienced practitioners. Assessment and development of skill strengths. Departmental screening required prior to registration. Capstone course for the major. Prerequisite: H.S. 321; Senior standing or consent of instructor. Credit: four hours. Students under supervision of Wingate University faculty.

**Human Services 415. Field Experience in Human Services.** Directed field experience in selected human services settings. Prerequisite: Human Services 411 and consent. Credit: three hours

## HUMANITIES

**Humanities 103. Fine Arts: Art and Drama.** Basic concepts of art, drama and relationships between styles in fine arts and external factors in society. Analysis of works of visual arts and performances for their qualitative attributes. Required of all education majors except for art and music education majors. Credit: two hours. (Fall Semester)

**Humanities 104. Fine Arts: Dance and Music.** Basic concepts of dance and music. Relationships between styles in fine arts and external factors in society, analysis of works of visual arts and/or performances for their qualitative attributes. Required of all education majors except art and music education majors. Credit: two hours. (Spring Semester)

## JOURNALISM

**Journalism 101. Workshop.** Workshop in writing news and feature stories, preparing lay-out, and copy editing coordinated with publication of student publications. May be repeated once. Credit: one hour.

**Journalism 201. Mass Communication.** Role of mass media in contemporary society. Emphasis on impact and technological, social, and governmental factors which shape media. Credit: three hours.

**Journalism 301. Newswriting.** Fundamental principles of news gathering and newswriting; study of news and news values. Enrolled students assist in the production of the Weekly Triangle. Credit: four hours.

**Journalism 320. Religious Journalism.** Principles and techniques of church publications, public relations, and curriculum writing. Emphasis on interpretation of

the church through all mass media, including radio and television. Credit: three hours.

**Journalism 403. Mass Media Law and Ethics.** Laws and regulations concerning the mass media, to include privacy, libel, and broadcast regulations. Credit: three hours.

**Journalism 405. News Editing.** Copy editing, make-up, headline writing, picture editing, typography and printing, and mass media law. Enrolled students assist in the production of the Weekly Triangle. Prerequisite: Journalism 301. Credit: four hours.

**Journalism 409. Advanced News Reporting.** An introduction to public affairs reporting and information gathering techniques. Use of public records, databases and other computer-based resources. Prerequisite: JRN 301. Credit: three hours.

**Journalism 410. Feature Writing.** Feature article writing for newspapers and magazines with frequent writing assignments aimed toward publication. Prerequisite: Journalism 301. Credit: three hours.

**Journalism 412. Editorial Writing.** Editorial writing in print and broadcasting. Prerequisite: Journalism 301. Credit: three hours.

**Journalism 425. Sports Reporting.** Application of the principles of news reporting and writing to sports-related topics. Prerequisite: Journalism 301. Credit: three hours.

## MATHEMATICS

**Math 100. Intermediate Algebra.** An introduction to basic algebraic operations as applied to polynomial, linear and quadratic functions. Selected topics in analytic geometry are introduced. Restricted to students with less than two units of high school algebra or recommendation of mathematics faculty. Credit: three hours.

**Math 106. Mathematics for Elementary Education I.** An in-depth study of the real number system, with an emphasis on problem solving. Topics include an introduction to ancient enumeration systems, bases, modular arithmetic, statistics, and algebra. Restricted to majors in elementary and middle-grades education. Credit: three hours.

**Math 107. Mathematics for Elementary Education II.** An introduction to geometry and mathematical reasoning, with computer applications. Activities include conjecturing, inventing and problem solving. These activities are reinforced by using LOGO and Geometry Suppor software. A major objective is an understanding of how mathematics is connected to other fields of study. Restricted to majors in elementary and middle-grades education. Credit: three hours.

**Math 108. Mathematics for Business and Economics.** Linear equations, introduction to linear programming, logarithms, matrices, limits, functions, and introduction to differential calculus. For the baccalaureate degree in business. Restricted to students who do not have credit for MATH 112 or higher. Credit: three hours.

**Math 109. Elementary Statistical Methods.** An introduction to probability and statistics through the central limit theorem, with emphasis on the collection, presentation, and analysis of data relating to the humanities and social sciences. Restricted to students who do not have credit for an upper-level statistics course. Credit: three hours.

**Math 112. College Algebra.** Algebraic operations as applied to polynomials, linear functions, quadratic functions, exponential functions, equations, inequalities, and systems of equations. Selected topics in analytic geometry are included where possible. Prerequisite: Two years of algebra and one year of geometry. Credit: three hours

**Math 113. Trigonometry.** An introduction to the trigonometric functions and their inverses; including trigonometric identities, graphs, multiple angle formulas and applications. Additional topics include exponential and logarithmic functions. Prerequisite: Two years of algebra and one year of geometry. Credit: three hours.

**Math 120. Calculus and Analytic Geometry I.** Rectangular coordinates in the plane, functions, limits, continuity, differentiation of algebraic and trigonometric functions, the application of derivatives and the differential, integration and the application of the definite and indefinite integral. The first of three semesters of a unified course in analytic geometry and calculus. For engineers, mathematics majors, and science majors. Prerequisite: Math 112 and Math 113 or equivalent. Credit: four hours.

**Math 209. Inferential Statistics.** Introduction to methods of inferential statistics, stressing applications. Topics include introduction to probability, special distributions, confidence intervals, hypothesis testing, and linear regression. Designed for biology majors. Credit: three hours. (Even Spring Semesters)

**Math 220. Calculus and Analytic Geometry II.** The second of three semesters of a unified course in analytic geometry and calculus. Transcendental functions, hyperbolic functions, methods of integration, polar coordinates, parametric equations. Prerequisite: Math 120. Credit: four hours. (Spring Semester)

**Math 242. Discrete Mathematics.** Introduction to combinatorial analysis and graph theory. Topics include combinations, permutations and other counting methods, binomial and multinomial theorems, equivalence relations, graph theory, generating functions, and difference equations. Prerequisite: Math 120. Credit three hours. (Fall Semester)

**Math 300. College Geometry.** Selected topics from Euclidean, noneuclidean and solid geometry. Ideas and methods of geometry. Prerequisite: Math 242. Credit: three hours. (Even Fall Semesters)

**Math 305. Calculus and Analytic Geometry III.** The third of three semesters of a unified course in analytic geometry and calculus. Vector functions and their derivatives, series, partial differentiation, multiple integration, and vector analysis. Prerequisite: Math 220. Credit: four hours. (Fall Semester)

**Math 308. Linear Algebra.** Systems of equations, matrices, determinants, linear transformations, vector spaces and eigenvectors. Prerequisite: Math 242. Credit: three hours. (Spring Semester)

**Math 310. Differential Equations.** First order equations with variables separable; Euler's method of approximate solutions; physical and geometric applications. Linear equations of the first order; applications. Solutions of linear equations with constant coefficients; methods of undetermined coefficients; operators. Application to network and dynamical systems. Introduction to series-solutions. Prerequisite: Math 305. Credit: three hours. (Spring Semester)

**Math 330. Statistics I.** Continuous and discrete probability distributions, random variables, limit theorems, stochastic processes, sampling, estimation and hypoth-

esis testing. Prerequisite: Math 242. Credit: three hours. (Odd Fall Semesters)

**Math 331. Statistics II.** Continuation of Math 330. Prerequisite: Math 330. Credit: three hours. (Even Spring Semesters)

**Math 400. Modern Algebra I.** Abstract algebra including rings, integral domains and fields. Writing intensive course. Prerequisite: Math 308. Credit: three hours. (Even Fall Semesters)

**Math 401. Modern Algebra II.** Groups, polynomial rings, ideals, quotient rings, Boolean algebras, and lattices. Prerequisite: Math 400. Credit: three hours. (Odd Spring Semesters) Writing intensive course.

**Math 405. History of Mathematics.** Study of early numeral systems, Egyptian and Babylonian Mathematics, Greek Mathematics, Chinese and Hindu Mathematics, Arabian Mathematics, Descartes, Pascal, Fermat, the development of Calculus, and an overview of mathematics since 1700 including abstract algebra and non-Euclidean geometry. Prerequisite: Math 242. Credit: three hours. (Odd fall semesters.)

**Math 410. Introduction to Analysis.** An introduction to single-variable real analysis, the course covers sequences and series, the topology of the real line, limits, continuity, differentiation, and the Riemann integral. Emphasis on proof writing. Satisfies writing-intensive course requirement. Prerequisites: Math 305, Math 308. Credit: three hours. (Odd fall semesters.)

**Math 450. Special Topics.** Topics selected from advanced calculus, topology, advanced modern algebra, combinatorics, number theory, or foundations. May be taken up to three times. Taught on demand. Prerequisite: consent of instructor. Credit: three hours.

**Math 460. Independent Study.** Study of student-selected topic under faculty supervision. Credit: three hours. Taught on demand.

## MEDIA ARTS

**Media Arts 250. Single Camera Film and Video.** (ART 250) Creation and evaluation of short programs emphasizing field production and post-production editing. Credit: three hours.

**Media Arts 310. Audio Producing.** Creative production and recording of audio drama, music, and documentary. Study of audio techniques for media such as television, radio, film and multi-image. Prerequisite: Media Arts 250 or permission. Credit: three hours.

**Media Arts 350. Television Theory and Criticism.** An overview of contemporary television theories and methodologies. Emphasis on the application of methodologies to the study of television. Prerequisite: Junior standing or permissions. Credit: three hours.

**Media Arts 360. Studio Television Producing.** Building proficiency in each of the various roles necessary for effective TV production. Students write, produce and direct a studio TV program. Prerequisite: Media Arts 250. Credit: three hours.

**Media Arts 400. Advanced Video Production.** Advanced work in the medium of the student's choice, such as film, multi-image, video, animation, or audio. Content

may be fictional or documentary. Emphasis on communication and portfolio development. Credit: three hours.

**Media Arts 410. Documentary.** Examination of important non-fiction films and video programs from Liniere to the present. Emphasis is on structure, argument, and individual style. In class viewing and discussion; out of class analysis of selected programs. Research and writing of a feature length documentary script. Prerequisite: Media Arts 400 or permission. Credit: three hours.

**Media Arts 450. Media Decision Making.** Structure, organization and effects of Mass Media: Students will examine a media organization in depth, and will study the effects of media on specific target audience. Credit: three hours.

## MUSIC

**Music 100. Fundamentals of Music.** Study of basic music reading skills; notation of pitch and rhythm, intervals, scales, key signatures, triads.

**Music 101. Theory I.** Entry level course for music majors. Study of scales, intervals, triads and their inversions, basic part-writing principles. Credit: three hours. (Fall Semester)

**Music 102. Theory II.** Continuation of study of tonal harmony with emphasis on use of seventh chords and harmonic analysis. Prerequisite: Music 101. Credit: three hours. (Spring Semester)

**Music 103, 303. University Singers.** Open to all students by audition. Sacred and secular music from the Renaissance to the present. Two hours of rehearsal per week. May be repeated for credit. Credit: one hour.

**Music 104. Survey of Western Music.** Designed to acquaint students with elements necessary for the understanding of Western art music. Vocabulary of musical terms and opportunity to become an informed listener. Class lectures, recorded music, live concerts and recitals. Fulfills g.e.r. Fine Arts requirement. Three class hours per week. Credit: three hours.

**Music 105. Music Literature.** General survey of forms and styles of music. Directed listening and score reading is employed to develop depth in criteria for appreciation of music. Prerequisite: Music 101. Credit: three hours. (Spring Semester)

**Music 107, 307. University Symphonic Band.** Open to all students. Study and performance of a variety of wind and percussion literature. Performs regularly during the academic year. Formal attire is the responsibility of the student. Three rehearsal hours per week. Credit: one hour. May be repeated for credit.

**Music 108, 308. Wingate Athletic Band.** Open to all students. Performance of popular music styles for athletic events. Performance attire is the responsibility of the student. Two rehearsal hours per week. Corequisite: Music 107/307 or director's consent. Credit: one hour. May be repeated for credit.

**Music 109, 309. Chamber Choir.** By audition from the University Singers. Rehearsal and performance of choral literature appropriate to various functions. This organization represents the university on and off campus. Four class hours per week. Credit: one hour.

**Music 111, 311. Wingate Chorale.** Study and performance of various styles of choral music. Corequisite: Enrollment in Music 109, 309. Two class meetings per week. Credit: one hour.

**Music 112, 312. University Jazz Band.** Open to all students. Study and performance of literature from all genres of Jazz. Corequisite: Music 107/307 or director's consent. Two rehearsal hours per week. Credit: one hour. May be repeated for credit.

**Music 113, 313. Chamber Ensemble.** Rehearsal and performance of selected chamber works. For elective credit only. By audition. Two hours per week. Credit: one hour.

**Music 114, 314. Guitar Ensemble.** Rehearsal and performance of guitar ensemble literature. Prerequisite: Music 139 or permission of the instructor. Two class hours per week. Credit: one hour.

**Music 121. Ear Training I.** Foundations in sight singing and dictation. Practice of harmonic and melodic intervals to the octave. Rhythmic dictation in simple and compound meters. Reading of all clefs using moveable Do solfege. Credit: one hour. (Fall Semester)

**Music 122. Ear Training II.** Continuation of sight singing and dictation in all major and minor keys. Singing of triads and dominant sevenths in all inversions. Further rhythmic study. Prerequisite: Music 121. Credit: one hour. (Spring Semester)

**Music 125, 126; 225, 226; 325, 326; 425, 426. Recital and Concert Lab.** To acquaint the student with composers and performance practices through recitals and concerts. Attendance is required at 90% of all recitals and concerts as posted by the music faculty. Exceptions are at the discretion of the instructor. Eight semesters, BA; seven semesters, BME. Credit: 0 hours.

**Music 130. Class Voice I.** Position and poise of the body, strengthening exercises for the development of vocal freedom. Simple songs. Open to secondary voice students and all students who wish to learn basic vocal techniques. Two class hours per week. Credit: one hour.

**Music 131. Class Voice II.** Expansion of Music 130 with emphasis on basic techniques and simple solo literature. Two class hours per week. Prerequisite: Music 130. Credit: one hour.

**Music 136. Class Piano I.** Basic music terminology, concepts, and keyboard skills. Two class hours per week. Credit: one hour.

**Music 137. Class Piano II.** An extension of Music 136 with more emphasis on improvisation, harmonization, and transposition. Two class hours per week. Prerequisite: Music 136. Credit: one hour.

**NOTE TO PRE-MED, PRE-VET, PRE-DENTAL STUDENTS:**

In addition to g.e.r. courses needed for graduation, pre-professional programs typically require the following:

Zoology (BIO 200); Genetics (BIO 305); Biochemistry (BIO 425);  
Physiology (BIO 311, 312, 430); Organic Chemistry (CHEM 201-202);  
Physics (PHYS 201-202); Calculus (MATH 120).

**Courses often recommended:** Microbiology, Histology, Analytical Chemistry.

Regardless of their undergraduate major, pre-professional students should use their elective hours to meet these and additional entrance requirements specified in the bulletin from the professional school they wish to attend.
